Mariposa Wins Cage Tourney, Tahoe Truckee Finishes Third

Lindsay, Smart Named To The All-Tournament Teams

The Mariposa County High School Grizzlies, led by coach Loyd Hobby, oulasted a determined Colfax High School team Saturday night to gain the championship of the second annual Invitational Basketball Tournament at Tahoe Truckee High School sponsored by the Optimist Club of Tahoe City.

The final score was 62–56, with Ron Goick of Mariposa leading his team with 28 points.

Third place in the tournament was won by coach Joe deArrieta's Tahoe–Truckee team who downed a tough Herlong five in a semi–final elimination, 47–44, before a capacity crowd in the home gymnasium. Tahoe Truckee led at the half, 28–20, and held off a determined second–half onslought by coach Vern Peter's Herlong team.

George Franceschini was high–point man for the Wolverines, dumping in 13 points. Forward Randy Hiatt was second, with 8 points, and Brian Smart, Doug Lindsey, and Mike Davis all scored 7. Mike Henderson and Bill Kinzie each scored 2 points.

Guard Doug Lindsey of Tahoe Truckee was named to the All–Tournament Team. Most Valuable Player honors went to Bob Payne of El Dorado High School, with Ed Marison of Colfax, Ron Goick of Mariposa, and Dave Lehmann of Mariposa also being named All–Tournament. Brian Smart of the Wolverines was elected to the second team, All–Tournament.

The Herlong High School cheerleaders won the trophy for being the best in that category.

In Thursday's first round, Colfax beat Downieville 76–50, Herlong downed El Dorado 73–68, Tahoe Truckee won over Loyalton 65–34, and Mariposa dumped Incline 56–29. George Franceschini led the scoring for Tahoe Truckee against Loyalton with 12 points.

Friday, the El Dorado Cougars defeated Downieville 71–30 and Loyalton beat Incline 46–33 in consolation games. High–point man for the Incline Highlanders was Wim Smith with 14. In the championship round, Colfax edged Herlong 77–74 and Mariposa downed Tahoe Truckee 61–55. Leading the Wolverines was Doug Lindsey with 16.

In the consolation round Saturday, El Dorado beat Loyalton 85–40. (Photos on page 8.)

One Man's Opinion

By CARL BRIGGS

An event worthy of some note and commentary took place this morning with the opening of the new Lucky Market at the "Y" in Tahoe City.

To the urbanite, suburbanite, and exurbanite, market openings are a matter not only of almost everyday routine but of such common occurances as to go virtually unnoticed in the hectic pace of progress.

Not so in our mountain community. We welcome Lucky as as desirable addition from an economic standpoint, to be sure, but we welcome them equally as a sign of the times and an optimistic forecast for the future.

The transition from the friendly neighborhood greengrocer, who was practically if not actually a member of the family and upon whom one depended for supply and sustenance through good times and bad, to the shiny modern supermarket operating with comuter–like efficiency is a remarkable miracle of this era.

It isn't necessary to shed sentimental tears for the Mom and Pop operation. They filled their place in history and it was time to move on from the world of wooden clothespins, cast iron rudebaga, and wilted lettuce to something better.

Lucky Market, in their inscrutable corporate wisdom, wouldn't come here if they didn't see substantial economic growth ahead. You and I know the potential, and have known for years, but it's nice to see our judgment confirmed by professionals who are keenly attuned to turning a buck.

So, welcome Lucky Market. May your foresight prove to be faultless and may your rudebaga always be tender.

* * *

The Greater North Lake Tahoe Chamber of Commerce is asking support of a movement to establish Washington's Birthday, Memorial Day, Columbus Day, and Veterans Day as perpetual Monday holidays, thereby providing more three–day weekends during the year.

This plan has considerable merit, particularly in a recreation–oriented area. Three–day weekends afford more opportunities for city–dwellers to visit Lake Tahoe and will certainly attract more weekend visitors from distant points – Los Angeles, for example.

Federal employees will begin observing these Monday holidays in 1971. The proposal will be introduced in the 1969 California Legislature and must be passed before state and local workers can have the benefit of these three–day weekends. The California State Chamber of Commerce and local chambers support the proposal.

The Ribbon Is Cut And Lucky Market Opens

Some 60 to 70 invited business people and area personnel of Lucky Stores, Inc. were on hand Tuesday to view ribbon cutting ceremonies at the new Lucky Store at Tahoe City. The discount super market is located at Highway 89 and Highway 28.

Sharing honors with Mr. and Mrs. Carl Bechdolt, Ben Damanchki and Betty Layton were store manager Paul Palmer and Mrs. Palmer and Lucky personnel Lou Hunt, district manager; Joe Sims, Sacramento area operations manager; Dudley Richardson, regional manager; Wayne Kirby, regional operations manager; Herb Norling, district supervisor, and Del Helms, real estate manager. Assistant manager of the local store is Wilfred Williams.

William Briner, fifth district supervisor from Placer County, sent a letter of congratulations with regret that he could not be present. He commended the company for its building design "in keeping with the mountain motif" and as "a beautiful addition to the Lake Tahoe setting."

Dignitaries and guests toured the store under the direction of Lucky personnel before adjourning to the Tahoe Inn for luncheon.

The store opens to the public today.

Call For Bids On Donner Landing

Bids for construction of a boat landing, acceptance of two resignations and cancellation of ice skating at the park were primary concerns last week at a recessed meeting of the Truckee–Donner Recreation and Park District board of directors.

Some 30 citizens attended the meeting to which all five board members came. The meeting had been recessed from last week when only two board members attended and no meeting could be held without the quorum of three members present.

Bids for the boat landing at Donner Lake will be opened at the next regular meeting of the board on Jan. 8, 8 p.m. at the County Government Building, Gateway.

Board member William Curran's resignation was accepted as of Dec. 31. Curran is newly elected fifth district supervisor and will take over his new duties on Jan. 1. Applications to fill Curran's unexpired term will be received at the Jan. 8 meeting.

Also resigning was Belle Garcia, board secretary. Mrs. Garcia gave as reasons that the $2 per hour salary was not sufficient for experience needed and work entailed and the 6–hour, 5–day week was not enough time to accomplish the job. She also noted there was no social security nor any annual sick leave provided for and said she was "tired of the bickering of the board of directors."

Chairman Harry Jamason appointed Charles Spillner and Henry Schwarz to seek applications for the secretarial position and to work up a recommendation for the job and salary requirements, and fringe benefits for the board's next meeting.

"Hopefully we can secure a new secretary by Jan. 1 so the office will not have to be closed," said Jamason. (Only other office staff is the superintendent, Dr. Henry Tapia, who was fired as of Dec. 31 at a November special meeting.)

The board agreed to have no ice skating at the park and to ask Lee Velasquez, teacher at Tahoe Truckee High School, to supervise the existing recreation programs until a new superintendent is hired. Dr. Tapia was requested to advertise in trade magazines to fill the superintendent's vacancy.

In other business, Dr. Tapia gave a report on a proposed rifle range. Representatives of the Horsemen's association requested a delay until the January meeting on discussion of horsemen's park.

A letter was read from Nancy Yaganicci of "Sing Out Sacramento" to Dr. Tapia thanking the superintendent and the recreation board for hospitality extended the singers while here for a program earlier this month.

During open discussions, several members of the audience voiced disapproval of the board's firing of the superintendent. Charles Vind requested "just exactly why" Dr. Tapia was fired and was told this was confidential.

In rebuttal John Hemler noted that although it was lawful for such business to be held in executive sessions which are closed to the public, usually with boards of this kind, the board, in fairness to the public and the individual concerned "comes out with specific reasons" for the firing.

Another audience member asked what was necessary to remove a member or members from the board (park and recreation). Chairman Jamason said this necessitated a petition signed by 10 per cent of the registered voters in the fifth district. The signatures then must be verified before calling for a special recall election.

Bus–Jeep Wreck Fatal

Funeral services are scheduled for 10 a.m. Saturday at the Truckee–Tahoe Mortuary in Truckee for Kenneth Ervin Leahy, 25, killed when his Jeep and a Tahoe–Truckee school bus collided on State Route 89 just north of the Squaw Valley entrance Wednesday at 8:05 a.m.

Graveside rites will be conducted at 1:30 p.m. in the Greenwood Memorial Gardens at Grass Valley.

Leahy, a native of Grass Valley, was born Sept. 5, 1943 and spent most of his life in this country being recently employed as an electrician for Dave Walling in Tahoe City.

He is survived by his wife, Elethia of Truckee; his mother, Mrs. Lucille Leahy and a brother, Michael, both of Grass Valley and a sister, Mrs. Barbara Dunk of Sacramento.

Leahy was believed killed instantly when his Jeep got out of control on a curve half a mile north of Squaw Valley road and crashed headon into the north–bound school bus, loaded with students and driven by Darrell Rubins of Tahoe City.

None of the students nor the bus driver were injured and a relief bus was dispatched from the high school to bring the passengers to Truckee.

The California Highway Patrol said it was impossible that the snow plow attached to the front of the victim's Jeep struck a snow bank causing it to become uncontrollable. The bus, the patrol was advised, was nearly stopped far on the right side of the highway when it was struck.

All Stand Back! Hewgag To Sound

The hewgag will sound Friday night to assemble the brethren at Red & Tillies bistro in downtown Truckee for a meeting of Chief Truckee Chapter 3691, E Clampus Vitus, according to a missile unleashed by Noble Grand Recorder Russ Dickensheet on behalf of Al Lewis, Noble Grand Humbug.

The clan will gather at 7:30 p.m. to hear Lewis give his questionable renditions of risque poetry and carols, and will incidentally elect officers for the coming year, read new by–laws, and otherwise conduct business allegedly for the good of the order.

Dickensheet's bulletin stressed the importance of the assembly but facetiously added that Lewis would buy for the house, a rather unlikely possibility, but a large portion of the local membership is rumored ready to attend just in case.

Henry Loehr Honored At Banquet

The people of eastern Nevada County showed their appreciation last week for the 24 years of loyal service rendered to the fifth district by Henry G. Loehr, the veteran county supervisor who retires from office at the end of this month.

A group of nearly 150 gathered at Donner Lake Lodge Thursday in what was described by long time residents as the largest turnout of its kind in many years and the first time in recent history that a testimonial dinner has been accorded any elected official from Truckee.

On hand to thank Loehr and to describe his accomplishments and the progress of the area during his term of office were U. S. Congressman Harold T. (Bizz) Johnson, Nevada County Supervisor Lou Hartman, Sheriff Wayne Brown, supervisor–elect William Curran, deputy sheriff Roy Waters and constable N. F. Dolley.

The banquet was sponsored by Truckee–Donner Chamber of Commerce, with Jim Walker acting as master of ceremonies. Carson White, chamber president presented Loehr with a plaque expressing the thanks of the community, and a corsage for Mrs. Loehr who was ill and unable to attend.

LAUDED IN RETIREMENT – Henry G. Loehr received a standing ovation at a testimonial dinner given for him last Thursday at Donner Lake Lodge; after Congressman Bizz Johnson and local friends thanked him for his 24 years of service as county supervisor, Loehr was presented with a commemorative plaque by Carson White, left, president of the Truckee–Donner Chamber of Commerce.

First Big Storm Leaves 17 Inches Of Snow

A major storm which dropped 17 inches of snow in Truckee and North Lake Tahoe and nearly twice that on Donner, brought joy to the many winter sport resorts in the region. Ample snow fell to assure excellent skiing conditions for the future providing there is no change in the weather.

The U.S. Forest Service reported the snow depth in Truckee Monday was 20 inches. The precipitation for the weekend storm measured 1.70 inches bringing the total for the month to 3.33 inches, still a bit below the December normal.

The California Highway Patrol said only minor "fender benders," with two minor injury accidents marred the traffic over Interstate 80. Skid chains were required Saturday night and all day Sunday but the control was removed before 7 a.m. Monday. Highway 50 was closed for a brief period Sunday due to the storm.

Despite the buffeting winds, communication and electric services were maintained without incident.

State and county crews were kept busy throughout the storm and all roads throughout the district were kept open. The county crews did an exceptionally creditable job in the business sections of Truckee and Donner, not only maintaining the streets and roads but keeping parking areas clear.

Seek Local Auto Registry

Since vehicle registration is used in determining the amount of gas tax money distributed to each county for construction, maintenance and snow removal on county roads, Nevada County property owners who reside in other counties are being asked to assist the local road department by V. Harry Hider, director of the department of public works.

In a letter to those part–time residents, Hider points out they can assist if they operate a business in this county for more than 30 days by registering their vehicles in the county for that period.

"If you will help, here's how you can do it," Hider declared. "When you register or renew your registration with the state department of motor vehicles, you can file a 'county declaration.' It is only necessary for you to complete the entries and submit it to the department of motor vehicles where you register your vehicle."

This simple form is provided by the department.

"We thank you and we'll continue to give you the best service we can," Hider said.

Hider points out that in 1967 state legislation was enacted allowing second home and business owners to credit their second county residence with a portion of their vehicle registration.

Park District Seeks Director

The Truckee – Donner Recreation and Park District is now receiving letters of application for board director to fill the vacancy created by the resignation of William Curran, who leaves December 31 to assume his new duties as fifth district supervisor for Nevada County.

Applications may be mailed to the recreation district, P.O. Box 1087, Truckee. Applicants must be present at the district office for interviews at 8 p.m., January 8, 1969.

A Decorating Contest For Truckee Area

A Christmas decoration contest for homes and business establishments in the Truckee–Donner Lake area will be conducted next week by Truckee–Donner Chamber of Commerce and the Jaycees.

The chamber will award gift certificates in the amounts of ten, 15 and 25 dollars for the best home decorating, and the Jaycees will award three trophies for the best Christmas decorations on business establishments.

Persons wishing to have their home or business judged during the contest should notify chamber president Carson White, manager N. F. Dolley, or Gary Broce at the Bank of America in Truckee. Juding will take place on December 22.

Prizes and trophies will be awarded before Christmas and all winners will be guests at the first chamber meeting in January.

A MOMENT OF REFLECTION – Henry Loehr listened as his friends thanked him at a banquet in his honor last Thursday for 24 years of loyal service to the fifth district of Nevada County.

Letters To The Editor

EDITOR, SIERRA SUN:

In behalf of the girl scout troops and adult volunteers in the Truckee-Tahoe Neighborhood Association, I wish to thank the Sierra Sun for the very excellent coverage you have given to troop and neighborhood activities during the past year.

I am enclosing a carbon copy of a current report on Christmas service projects that some of our troops have been working on. I thought perhaps you might be interested in doing a feature story on these activities based on the information in the report.

Mrs. Robert E. Sutton
Truckee

(Editor's Note: A story on area girl scout programs can be found elsewhere in this issue.)

* * *

EDITOR, SIERRA SUN:

I wish to take this opportunity to personally thank you for the wonderful cooperation you and your staff gave us in newspaper coverage for the local Sing Out Sacramento program held in Truckee on December 7.

Again, may I express my thanks, as well as the appreciation of the board of directors, for your assistance.

Dr. H. T. Tapia
Superintendent
Truckee-Donner
Recration and Park
District

Back Home Again

Mrs. Hal Williams planed home from southern California where she became acquainted with her first grandchild, a son born to her daughter and son-in-law.

Truckee's Christmas Tree

IN THE HEART OF TRUCKEE – Downtown Truckee came alive with Christmas cheer last Saturday as the lights were lit on a huge Christmas tree provided by the Truckee Downtown Merchants Association. The tree had been trimmed with hand made decorations during the afternoon by Truckee Girl Scouts. Youngsters spent weeks and dredged up all kinds of ingenuity and scrap materials to create the ornaments for the tree-trimming party which drew a number of guests. They served refreshments to one and all at the Firehouse. The afternoon festivities were climaxed when the troops gathered out-of-doors to sing carols under the direction of Mrs. Neil Goff. Participating troops and their leaders were Brownie 101, Mrs. Gordon Cady and Mrs. Dave Mohla; Junior 116, Mrs. Jim Smith and Mrs. Oliver Crose; Junior 229, Mrs. Robert Sutton and Mrs. Douglas Heise; cadette 62, Mrs. Ray Wiser and Mrs. Joe Money. – Sun Photo

The Union Ice Company has started its harvest at the Prosser Creek fields. A large crew of men is busy cutting some of the finest ice that has ever been taken from the Truckee district.

Here's Riley

By ERNIE RILEY

The short articles throughout the newspapers seem the most interesting, such as "Penalties for Fast Starts," the new traffic code for Hawaiian drivers. It includes a clause covering "Speed Contests," A motorist can race but risks being fined up to $1,000, one year in jail, or both. Excessive revving of engines, screeching of tires, and jackrabbit starts have also been ruled out. I think this addition to their traffic code is great, and I hope it will be added to ours soon.

* * *

We were driving from Truckee to Sacramento about 6 p.m. the other evening, following the traffic flow at about 50 miles per hour. It started to rain as we reached the straight stretch between Auburn and Sacramento when some fat head in a large sedan loaded with people passed us, we guessed, at over 100 miles per hour, cutting in and out of traffic.

I made my usual inane remark about their never being a patrolman around when you need one, but the child bride pointed out that a patrol car chasing a nut like that would only endanger the officer and what we really need is more patrolmen on Interstate 80.

We will know and appreciate the tremendous job the CHP is doing on all our highways throughout the state and how it would help if drivers would obey the law. I gripe as much as the next one about paying taxes, but I would be happy to pay my share to get some extra highway patrol personnel. Their job seems to me to be mostly a labor of love.

* * *

Sometimes, you just can't win. My little one told me about an Italian neighbor who lived on the ranch next to her house in Sonoma County when she was a little girl. He had a very productive prune orchard, a result of many years hard work, but one time he became ill and decided to return to Italy to consult the old family doctor.

There were no transatlantic flights in those days and he had to go by steamship, a major voyage for a sick man. The doctor's prescription: Eat seven stewed prunes every day. So, back to Sonoma.

* * *

Things that annoy: Men who call their wives, "My old lady," people who refer to officers as "fuzz" or "cops," folks who send Christmas cards with their names printed instead of personally signed, those who write Cal instead of California, and friends who use bad language when good language would do much better. (These are being added to my list of New Year's Resolutions.)

It would take far more space than has been allotted to recite the many accomplishments of Supervisor H. G. Loehr, who has devoted the past 24 years of his life to the service of his community and who was signally honored by 150 of his friends at a reception last week.

As supervisor of the fifth district, Loehr has not confined his activities only to the routine duties of his office, such as seeing to it that his district always received its full share of allocated monies for promotional activities, highway construction and maintenance and other projects of this nature.

Rather his extra-curricular activities have been most noteworthy. We mention only a few to provide evidence of his outstanding leadership and progressive nature. When Truckee, Donner and North Lake Tahoe were served by only one doctor and depended entirely upon Reno for hospital services, Loehr, along with others who visioned the urgent need, formed a committee for the purpose of providing the sorely needed facility.

It took seven long, heartbreaking years to accomplish but in 1950 or thereabouts, the Tahoe Forest Hospital became a reality and it was through the efforts of Loehr and his Dutch tenacity, along with others on the committee, that his community was finally endowed with a facility which has been instrumental in saving scores of lives and which has eliminated hours and days of needless suffering.

We mention the hospital only as one example of this man's work for his community and district. There are many others, most of which have been forgotten. He was active in the development and progress of the Truckee-Tahoe Airport; the formation and subsequent progress of the Tahoe – Truckee Unified School District. He single-handed fought for and achieved the County Government Building, despite threats from the opposition in the western end of the county. It is unfortunate we can not dwell at length on the various other activities of our supervisor, but space does not permit.

When Henry Loehr took office in Jan. of 1945 following his election over the then-supervisor, Alex Robertson, he was faced with what appeared to be an impossible mission. The district at that time had absolutely no snow removal equipment and in those days the supervisor was charged with road construction and maintenance. The district in 1945 had one ancient grader, a ton-and-a-half Chevrolet truck and a one-ton FWD V-shaped plow incapable of doing more than keeping the road to Hobart Mills, where Robertson resided, open at

GENE CHAPPIE REPORTS
6th ASSEMBLY DISTRICT

SACRAMENTO – A "mobilization of the silent majorities" at San Francisco State and other campuses has been called for by Assemblyman Gene Chappie, R–Cool.

"It's time for the teachers and students and in fact the majority of Californians who compose these silent majorities to become 'vociferous majorities' to speak out, and to stand up and be counted," he said.

"Either we speak out now or willful mobs of radicals will win the campus struggle by default. The silent majorities must rebut those who say this chaos has moral purpose and these lawless tactics lead to justice.

"We must speak out to rebut those uotpian dreamers who decry the presence of police on campus but on the other hand condone the mob action and violence which necessitate bringing these same police on campus. And, it's about time we start defining academic freedom for the majority. Let's determine who is really guilty of anarchy.

"Is it the protestors who destroy public property or is it that majority who truly wants to get an education. Personally, I stand for that academic freedom which is, and the solution there of, not based on threats of destruction through mob violence and rioting.

"Recent events at San Francisco State," said Chappie, "have exposed moral reformers there for what they really are—anarchist thugs!!

"Unsatisfied with wholesale concessions, malcontents have declared all–out war on San Francisco State. They now refuse to negotiate unless incredible conditions are met. I call on campus administrators to stop appeasing these outlaws. Concede to and negotiate with them? Give them amnesty for lawless violence? Never!!! Concessions granted at the muzzle of a gun aren't compromise. They're surrender. They show that the 'establishment' will concede anything if mobs protest long and violently enough.

"There must be no negotiation, arbitration and certainly no concessions to these anarchist mobs until campus order is restores. Then, requests—not demands—for change can be submitted by anyone, students included, to improve our educational system.

"If the 'silent majorities' cannot stop this anarchy," Chappie continued, "and if police are unable to stop illegal rallies, window breaking, arson attempts and classroom forays, I suggest we call out the National Guard. Those who say force fails to combat protesting mobs, are really telling us to meekly surrender our campuses, and abdicate our responsibilities.

"When I see professors and legislators like William Stanton of San Francisco State (former San Jose assemblyman) and Assemblyman Willie Brown, sympathizing with, encouraging and even leading such a mob, I am compelled to speak out.

"If this anarchy is allowed to continued," Chappie said, "the people will demand and the legislature shall effect smaller, not bigger budgets; less, not more funds, to build or rebuild campuses; and smaller, or no faculty salary increases at all. But I also fear even worse results if this anarchy continues. I fear real intrusion into education by the legislature and by the people; and in fact, new, narrow limits to academic and administrative freedom; and changes in higher education's tenure system.

"I am proposing that the legislature, immediately on convening in January, name a bipartisan committee to thoroughly study this whole area of academic freedom. What is meant by academic freedom as it applies to our students, teachers, administrators, state college trustees, and the board of regents and what the legitimate role of, and the limits of authority, of these same participants.

"Above all, we must begin to make clear what this elusive term, 'academic freedom' really means. The future of higher education is seriously threatened. Either we re–establish sanity on campus and in classroom or an outraged public will reshape higher education to suit its will to the detriment of present and future generations," Chappie said.

Extra Welfare Allowances

The question of extra allowances for Christmas to welfare recipients has been raised in some areas of the state, State Social Welfare Director John C. Montgomery noted last week, but, he said, such payments are not financially or legally within state law.

The basic financial grants to individual and family recipients include allowances for clothing as well as food and shelter, he stated. The "special need" provisions of the State Welfare and Institutions Code are geared to individual circumstances as they might occur – such as family losses due to fire or theft – and were not designed for general application, Montgomery pointed out.

Special need allowances for items included in the basic grant can be provided only in emergency circumstances as described.

Comprehensive Report On State Park System

SACRAMENTO – A report on the stewardship of the $800 million worth of lands and facilities in the California State Department of Parks and Recreation. The report is part of Governor Reagan's Creative Society approach to informing the public of the activities of state government.

The report shows that over 17,740 acres of new lands valued at over $17.5 million were added to the state park system during the 1967–68 fiscal year. In accordance with its new policy of giving increased attention to development of existing park system lands, the department invested over $2,345,000 in construction of new campgrounds, picnic areas, parking areas, roads, bridges, and water and sewer systems, Mott also noted.

Major accomplishments cited for the year include drafting of California's first comprehensive state park system plan, which envisions a $1.3 billion program over the next 20 years to develope recreational areas, preserve scenic landscape, and protect significant reminders of California's history. Also mentioned is the reorganization of the department to permit greater attention to the environmental quality of state park system lands, to provide better law enforcement and visitor protection, and to make the parks more meaningful by a strengthened information and interpretation program.

The department's $47,868,–041 budget included nearly $23 million from the 1964 State Park Bond Act Fund and over $4.4 million from the federal Land and Water Conservation Fund. Revenues from park user fees, concessions, and similar sources netted $5.2 million, and the state General Fund contributed about $13.4 million.

Over $11 million of these funds were passed on to local governments for local projects. Some $12 million was spent for park operations, to maintain nearly 1,000 miles of roads and take care of 7,374 campsites for the more than 36 million visitor days used experienced by park system units in 1967–68.

Half a million dollars was spent picking up litter; another $48,000 went to repair damage by vandals.

Looking into the future, the report notes plans ranging from wayside camps for travelers to undersea parks where divers, underwater vehicles, and closed circuit television make available to everyone the wonders of the ocean depths. A "bring the parks to the people" program will offer greater service to the metropolital areas and aid in the human renewal problems of the urban core.

A limited number of copies of the report are available from the Department of Parks and Recreation, P.O. Box 2390, Sacramento, California 95811.

Sirens Blow For Fashions, Auxiliary Views New Year

COORDINATOR – COMMENTATOR – Hazel Dugdale of Incline Fashions displays one of the coordinates for day or nighttime wear. The print sweater is coordinated with an orange skirt. Mrs. Dugdale, a member of Fire Sirens, coordinated and commented the fashions. She is wearing a black, tan and brown wool knit by Julie Miller. – Sun Photo

PEACHES AND CREAM – Ernette Sharp sports a pink and white plaid skirt with coordinating slipover and cardigan during Fire Sirens fashion show meeting. – Sun Photo

IT WASHES! – This brown knit shirt washes said Betty Reeves who is wearing it with a beautifully coordinated wool sweater of burnt orange, brown and camel design on white. —Sun Photo.

ZIP'ER UP – Betty Reeves and Ina Wright are reflected in mirror as they help each other in dressing room during fashion show meeting of Fire Sirens. Mrs. Reeves is wearing a brown knit by Julie Miller while Mrs. Wright is being zipped into a gray knit with "mutton" sleeves. Sun Photo

BEHIND THE SCENES – A dressing room for a fashion show always appears to be utter confusion – but out of that confusion comes milady stepping out without a wrinkle and perfectly fitted. So it was last Thursday when Fire Sirens presented a fashion show at their meeting at Incline Fire House. In picture, models and dresser hang up the clothes after a successful showing. – Sun Photo

PUMPKIN PIE – Fire Siren's hostess Sonja Hane tops pumpkin pie dessert with whipped cream to top off fashion show meeting Thursday at Incline Firehouse. – Sun Photo

SWEATER CARRIED DESIGN – Twana Lingenfelter can switch her green knit pants for a brown skirt both of which go equally well with the green and brown designed sweater. Her costume is composed of Darlene coordinates. – Sun Photo

PARTY TIME – Ina Wright goes party time in a blue brocade short dress for formal and informal wear. —Sun Photo.

Fire Sirens' Projects Save Lives Of Firemen, Public

Fire Sirens, auxiliary to the North Lake Tahoe Fire department viewed latest fashions and looked at past future projects at a meeting last Thursday at Incline Firehouse.

President Mrs. Edward Black said projects completed by the group include purchasing for the fire department such life-saving equipment as two resuscitators, a survival air pack (breathing appratus for firemen entering burning buildings) and floodlights for fire trucks.

The budget for next year given by Bern Franklin prodded members to even bigger things as a $500 project fund raising was proposed. Also reported was a $200 fund which has already been raised, to aid firemen and/or their families in case of personal disaster.

Snow Buggy Over The Fence

Snow vehicle owned by David McClelland of Incline Village and valued at about $1,000 was stolen from The Chataux resort here.

Washoe County, Nev., deputies said the 300–400 pound machine was lifted over a wire fence and apparently carried away.

Deputies said McClelland had not left the keys in the ignition.

and Incline Village News

LAKE ECHOES

By BETHEL

'Tis not only weekly chit–chat time, but time to wish each and every one the Merriest Christmas ever. To us the greatest blessing, after our family, is the annual pouring–in of letters and cards from friends, old and new, far and near, that the spirit of Christmas inspires.

* * *

One of the letters we received, and will treasure, is from Eleanor Swanson – "Swanee" to her friends. We have many times missed meeting her and it is only now that we finally know where she is — Reno!

We wish to share part of her interesting letter with our readers. She is writing a book on oldtime Tahoe and the good old days, and has literally hundreds of unusual pictures and stories of many of the oldtimers. In the early '30's she use to "cover" the entire lake in one day for the Sacramento Bee, knowing almost everyone, as there weren't more than 100 people who stayed in all winter in the entire Tahoe area!

At the height of her career she was Tahoe correspondent for the San Francisco Examiner, Chronicle and Call Bulletin, Sacramento Bee and Union, Reno Evening Gazette and Journal, the wire services–UP, AP and INS, as well as the Sierra Sun, handling subscriptions, advertising and printing. Special articles were for natives of many other areas. Many times she had difficulty with the mail and resorted to dog teams.

Those were the days when only God's wild creatures inhabited the mountains – deer, bear, lion, fox, coyote – and people only came to view the peaceful lake and mountains.

Having just had occasion to "enjoy" a trip to the world of freeways, we gratefully returned to the peace and quiet of a less inhabited world.

* * *

Christophyer John Tamblyn was born to Marlea and Bob Tamblyn of Kings Beach on December 9, 7:30 p.m. at Washoe Medical Center in Reno, and weighed 7 lbs. 10 oz. Christopher has a brother, Joe, who will celebrate his second birthday December 24.

Made happy by the new arrival are grandparents, Pearl and Ted Draney of Incline Beach and Betty and Bill Tamblyn of Kings Beach.

* * *

Alysmae and Fred Schultz of Incline Village spent Thanksgiving with her mother, Alice Nowlan, at Santa Barbara. From there they went to Oceanworld and on to Tijuana, Mexico, back to San Diego from whence Alysmae enplaned home. Fred stayed in San Diego to attend the Advanced Exchange School in real estate before returning to Incline.

* * *

Mr. and Mrs. R. L. Barnard of Seal Beach are enjoying the holidays with their daughters and families; Caroline and Jack Johannes and children, Steve, Stuart and Stacy and Deidre and Jim Johannes and children, Debbie and David,

Arriving from Salina, Kansas, for her first visit in two years, and to spend the holidays with her sons, and their families is Evalene Johannes.

* * *

Shirley Venelli of Kings Beach is spending the Christmas vacation from the Kings Beach School, with her parents at Santa Rosa. Shirley will also have corrective knee surgery during the vacation.

* * *

For those who wish to buy See's candy, contact Glenna Meixner of Tahoe City, who is chairman of the project for the Emblem Club. The fund rasing monies will go toward their building fund. * * *

Joe Crom, who is attending the University of Nevada at Reno, will spend the holidays at the home of his parents, Norine and Jack Crom at Incline Village.

* * *

Get well soon to Virginia Engelhard of Incline Village who was hospitalized last week at Washoe Medical Center in Reno. Husband, Creg, reports satisfactory progress and home soon.

* * *

Father Francis Cohan of St. Francis of Assisi Catholic Church at Incline Village reports that the dinner held by the Guild was a huge social success with over 100 persons attending. Santa Claus appeared and presented the children with candy canes. Peggy Gilfillan, president of the Women's Guild, was chairman of the dinner.

* * *

The teachers of the Kings Beach school held their annual Christmas get–to–gether at the Lander Sunday night. Husbands and wives were invited to share the festivities.

* * *

Zoe Ann Jensen and sons, Jon and Jay, of Crystal Bay spent Thanksgiving with her parents, Norma and Art Olson, in Oakland. They plan on spending Christmas together at the Jensen home. * * *

Velva and Lenny Herman of Incline Village were guests at the Top of the Wheel Tuesday night at a luau. Delicious food and entertainment by Charlie Blackwell trio made for an fun evening out. (It was Lenny's night off! He is appearing at the Top of the Wheel every night except Tuesday.)

* * *

Ruth and Woody Burris of Incline Beach hosted a party for Bernice and Jack Franklin who celebrated their 25th wedding anniversary on December 11. Many lovely gifts were received by the Franklins and a buffet supper enjoyed. Attending were Messrs and Mesdames Jim Brehler, John Buckwalter, Frank Gurney, Clifford Clockman, Wally White, Bob Fugzai, Guy Wilson, Bill Briner, Frank Urrutia, Enrico Giannini, Ed Black, Larry Sevison, Larry Lindsay, Carl Shaff, Wm. Mally, Sandy White, Zoe Ann Jensen and Bern's parents, the Paul Mallys of Carson City.

* * *

Paul Franklin arrived home at Incline to home of his parents Bern and Jack Franklin, for the Christmas holidays. Paul is stationed at Fort Ord in the U. S. Army code school and will have a two weeks vacation. Paul will marry Sandra White, daughter of the Wally Whites, on December 20th at St. Francis of Assisi Catholic Church at Incline.

* * *

Eleanor Swanson of Reno spent Thanksgiving at Tahoe City where she had dinner with her son, James Baker, and grandaughters, Yvonne, Pamela and Christine.

CHRISTMAS AT THE FIREHOUSE – Babe McRice, left, (made by hand) white–bearded Santas, snowy sleighs and all the other symbols of Christmas to decorate the huge tree at the Fire House at Incline. Shown with her are, Paula Gurney, Faye Horsley and Marie Prows, all members of Fire Sirens, auxiliary to the North Lake Tahoe Fire Department of Incline and Crystal Bay. Mrs. Prows decorated the tree. Mrs. Horsley and Mrs. Gurney are chairman and co–chairman, respectively, of the Fire Sirens annual benefit food sale to be held Saturday, Dec. 28, at Eagle Thrifty Market, Incline. Proceeds go to auxiliary project of securing needed equipment for the fire stations. – Sun Photo

Skymark Adds New Planes

Dr. Alvin Marks, president of Skymark Airlines here, announced last week that the Sacramento–based commuter airline has purchased a Beech 99 airliner. Dr. Marks said that Skymark has also taken an option on the purchase of two more Beech 99's. The 99, manufactured by Beech Aircraft in Wichita, Kansas, is a 15–passenger commuter airliner with a cruising speed of 250 miles per hour, and is powered by twin turbine Pratt & Whitney PT6A–20 engines and has retractable landing gear.

Dr. Marks said that the aircraft will be placed in regular service on Skymark's Sacramento – Fresno – Bakersfield route in January.

Skymark recently added a 7–passenger Cessna 402 to its growing fleet. The airline operates four deHavilland DH–600's and has three more of the 19–passenger deHavillands on order for early next year.

Incline Man Gets Citation

U.S. AIR FORCES, Thailand — Sergeant James G. Wyland, son of Mr. and Mrs. Robert W. Wyland of 115 Selby Drive, Incline Village, Nev., is a member of the outstanding Class II Consolidated Base Personnel Office of 1968.

Sergeant Wyland is a personnel specialist in the 388th Combat Support Group, Korat Royal Thai AFB, Thailand.

His office was cited for providing outstanding service and highly effective administrative support for the 388th.

The sergeant is a graduate of Half Hollow Hills High School, Huntington, N.Y.

Dickensheet Cautions On DMV Renewal Errors

Up to half a million California vehicle owners will find that the 1969 registration renewal notices they received from the Department of Motor Vehicles are incorrect. Most will get automatic corrections by December 31, but many won't until they do something about their own records.

Manager Russ Dickensheet of the Truckee office offers this explanation: "It takes a month to stuff 12 million renewal notices into envelopes at DMV's Sacramento headquarters — even when it's done by machine. DMV started its annual chore of printing the cards and putting them in envelopes on November 1 and continued the work through almost all of last month.

"Reports of vehicles bought or sold, and name and address changes, which arrived during this time were set aside for completion during December. Correction are now being processed, and persons who received cards showing pre–November information may expect corrected cards in the mail by the end of December."

However, Dickensheet cautioned that thousands of incorrectly addressed renewal cards are posted to persons who didn't notify DMV or the Post Office Department when they moved. Unless they remedy this oversight themselves they may get no renewal card at all. They still have to register their vehicles by February 4, 1969.

Dickensheet's word of advice to all vehicle owners: "If you haven't received a 1969 renewal notice from DMV by January 15, 1969, wait no longer. Take last year's registration card to your local office and tell the clerk at the window that something's wrong."

Suit Seeks $1.3 Million

A Sacramento woman, Mrs. Lenore Copeland, whose husband and two sons and another youth were killed in a traffic crash last March, has filed a $1.3 million wrongful death suit against the State of California.

Mrs. Copeland, acting in behalf of her daughter, Susan, filed the action stating Interstate 80 was improperly signed and "constituted a trap" east of Weimar, Placer County. Her husband Bernard, a Sacramento accountant, and Sons Harry H. and Robert, and Gregory Smail, also of Sacramento, were killed in the accident.

Mrs. Gilson Named Advisor At College

The Sierra College Board of Trustees officially approved the appointment of an Advisory Committee to assist in the planning of a Registered Nursing Program at the college. "We will rely upon the recommendations of this Advisory Committee to help us initiate this new program," Martin Jack, co–ordinator of the Vocational Programs states. "It will be necessary to have a department chairman to plan the curriculum before we can officially start with an approved program.

The Registered Nursing Program Advisory Committee includes 17 members representative of all aspects of the medical profession and education. Its membership is also representative of the area comprising the Sierra College District.

Members appointed by the Trustees are: Miss Beverly C. Andre, R.N., Nursing Education Consultant, Board of Nursing Education and Nurse Registration, Sacramento; Mrs. Phyllis Anthony, R.N., President, Placer – Nevada County Medical Society Auxilary, Roseville; Mrs. Doris Bartley, R.N., Director of Nursing Service, Sierra Nevada Memorial Hospital, Grass Valley; Mr. Al Burske, R.N., Superintendent of Nursing Service, DeWitt State Hospital, Auburn; Mrs. Marie Crookshanks, R.N., Director of Nursing Service, Nevada General Hospital, Nevada City; Mr. Hugh A. Dame, M.D., Auburn; Mr. Irving Drucker, R.N., Nursing Education Director, DeWitt State Hospital, Auburn; Mrs. Gertrude Gilson, R.N., Director of Nursing, Tahoe Forest Hospital, Truckee; Mr. William Graham, Administrator, Placer County Hospital, Auburn; Miss Rebecca Gregg, Counselor, Sierra College; Mr. Jerome Herzog, Administrator, Roseville Community Hospital; Mrs. Sharon Hisken, R.N., P.H.N., Placer County Health Department, Auburn; Mrs. Zelpha Miller, R.N., Director of Nursing Service, Weimar Medical Center, Weimar; Mrs. Mildred Montero, R.N., Director of Nursing, Roseville Community Hospital, Roseville; C. Jackson Rayburn, M.D., Sierra Medical Group, Grass Valley; Robert L. Ross, O.D., Member, Sierra College Board of Trustees, Grass Valley; Mrs. Madeline Roye, Dean of Girls and Counselor, Del Oro High School, Loomis.

Tahoe Forest Hospital Board Reaffirms Hendrickson Stand

The five–year battle between Dr. E. O. Hendrickson and the directors of the Tahoe Forest Hospital District, in which the former sought staff privileges and the right to the facilities of the hospital, apparently came to an end Wednesday when the directors adopted a certificate of decision denying Dr. Hendrickson the privileges he sought.

Whether the doctor will again appeal the decision of the board is not certain.

The certificate of decision adopted by the board reads as follows:

It is hereby certified that Hearing Officer Coleman E. Stewart of the office of administrative procedure of the State of California, having submitted the attached proposed decision, and the Board of Directors of the Tahoe Forest Hospital District having reviewed the proposed decision in its entirety and having heard further argument thereon, adopted said proposed decision in the case herein described on Dec. 11, 1968.

The decision of Stewart, as adopted by the board contained the following:

(a) the application of Edwin O. Hendrickson, M. D., for 1968 staff privileges in the Tahoe Forest Hospital is denied.

(b) the suspension of Edwin O. Hendrickson, M. D., from all active privileges, including emergency on–call privileges, is hereby affirmed.

The recommendations by Stewart followed the hearing had before him on June 24 through 28, July 22 and 26 and Sept. 3 through 5, at Truckee.

Following the lengthy meeting last week, the four board members present, Gordon Moyer, William Vail, Dr. Gardner Pier and Joseph Joynt, voted unanimously to adopt the resolution.

Dr. Hendrickson expressed his disappointment in the results but did not indicate whether he would again appeal the board's action.

The battle between the hospital, the board and medical staff and Dr. Hendrickson has flared frequently during the past several years as suits and counter – suits, charges and counter – charges, hearings and accusations have become almost routine, the doctor seeking privileges and the hospital continuing to deny them.

Cardholders Get A Break

BankAmericard holders throughout California are receiving an extra Christmas present: they won't have to pay their regular December bill this month if they don't want to.

All BankAmericard holders whose previous payments have been made regularly and on time may skip the full December payment if they wish, and have the balance carried over into January, said John A. Dillon, vice president and California BankAmericard director. They will, however, have to pay the normal service fee for December.

"This program is completely optional for cardholders," Dillon said. "Since most of us tend to spend more during the Holidays, it will have the advantage of giving them some extra money to work with during the month."

"All signs indicate that Californians will be spending record amounts during the holiday period this year," Dillon said. "While we certainly do not want to encourage any individual to spend more than he reasonably should, we know that many of us nevertheless can make good use of the dollars that would have been earmarked for Bank–Americard payments."

Sierra Skiing

By Vi and Carson White

Members of the California – Nevada Winter Sports Writers Association were guest of the South Lake Tahoe Chamber of Commerce and Heavenly Valley Ski Area last weekend. Skiing was great on the California side and of course the magnificient view of the "Lake of the Sky" almost takes your mind off skiing as you descent the well–groomed slopes.

The elevation of over 9,000 feet assures fine skiing and many challenging runs from the seven double chair lifts above the top terminal of the aerial tramway.

On the Nevada side, which wasn't open yet, two new chair lifts offer more varied skiing and another fantastic view of Carson Valley below where a major airport is planned to improve the access to South Tahoe.

This season, a new service is being added. In case of injury, Bell 47–G3B helicopters will be available to whisk a skier directly to Barton Memorial Hospital at South Lake Tahoe. They will be fitted with special loading equipment for stretchers and will be in radio contact with the Heavenly Valley Ski Patrol, to be directed to the landing area nearest to the accident.

These whirly birds will also be available for special rides to the East Peak area for some beautiful powder snow skiing at a charge of $5.00 per trip. (Includes 2 persons).

Special package plans for skiers are being offered by Heavenly Valley and Stateline entertainment centers that are enticing. Owner Hugh Killebrew stated that a big influx of skiers are coming from the state of Washington and from eastern states due to a tremendous publicity campaign put on by his resort area.

Mr. Killebrew also stated season pass rates have been lowered to $150 per adult, $100 for college students with student body cards, and $75 for high school students. For children under 13 the rate is $50. Special family plans are available for midweek skiing. Tickets may be purchased at the new Heavenly Valley Ski Club office.

Interchangable tickets good at Alpine Meadows, Squaw Valley, Slide Mountain, Mt. Rose, Ski Incline, Boreal Ridge and Mount Shasta are sold at Heavenly. For $42 a person can ski seven days in a row, each day at a different resort.

Sierra Ski Ranch owners, Vern and Bobbie Sprock have announced the opening of their new Alpine day lodge and higher ski lift at the Highway 50 ski area this weekend. There is a "fun hill" for the whole family, where a certified ski school is directed by Don Greb and offers instruction for beginner, intermediate and advanced skiers.

– – –

Donner Ski Area installed a nursery for the small fry, open mornings and afternoons Monday through Thursday, and on Saturdays, so parents can go off and ski together and not have to take turns minding the children.

Night skiing will begin Friday and will continue each Friday and Saturday evening throughout the season, 7 to 10 p.m., on their platter hill.

Wednesday is set aside again as ladies day when the gals can receive lift and lessons for the price of a day ticket, $5.

– – –

Sugar Bowl will be operating in their 29th year this season and also has night skiing added to their evening fun, Tuesday, Thursday and Saturday on the lower Mt. Disney slopes.

A truly family resort, they are offering free skiing for all youngsters under 12 this season on the 800–foot rope tow.

– – –

Squaw Valley's new 120–passenger tramway (largest in the world) is to be viewed by the press today and will be open to the public on Friday, but the official christening ceremony won't be until January 11 when the resort celebrates it's 19th year of operation.

– – –

Several local restaurants are opening for the ski season, one of them Bill Briner's Sunnyside on Highway 89 on the west shore of Lake Tahoe. The River Ranch on the Truckee River by the entrance to Alpine Meadows has a new owner, Karl Weber, who is the honorary consul general of Austria. Seller Gardner Mein and his wife Lani, who decorated the 22 rooms, plan to be around much of the time. Wes Howell, Ski Incline lodge manager, says breakfast is being offered at 8 a.m. and that Chef Mario who also runs the Chataux restaurant is offering a great skiers dish, "Slumgullian," an Italian concoction of meat sauce and noodles.

George's Drive–in on old high way 40 near the high school in Truckee offers good quick food too and especially for those of you who are on your way home from skiing and heading up Interstate 80. Just west of Safeway next to the Gulf Station.

– – –

A new book is on the market in paperback form, an authoritative Norwegian book on Nordic skiing by Michael Brady titled "Nordic Touring and Cross Country Skiing." A great addition to the skiing library. It can be purchased through Sport House, Box 103, Dept. B–1, Concord, Mass. 01742 for $2.25 plus 50 cents for handling.

– – –

Sun Valley opened it's 33rd season last weekend and reports excellent skiing conditions.

– – –

FWSA Junior ski race has been rescheduled for Sunday at Mt. Rose. The Lyder Barnes competition is for Jr. C,IV,V and is a giant slalom.

Longine electric timing equipment will be used and will be available for all major FWSA races this season. The The gear was left over from the 1960 Winter Olympics at Squaw Valley and has been reconditioned.

– – –

Bay Area Ski Clubs will be using their lodges over the holidays for fun time in the snow; Alpineer's, Peninsula, Viking, Oakland, Sierra, Marin, Skoalers, Southbay, all on Donner Summit; Ampex, Berkeley, Lera, Napa, Palo Alto, Santa Rose, all near Donner Lake; and Sacramento's Tamarack and Vorlage nearby Donner Lake too. The San Francisco and S.F. Airline blubs are near Heavenly Valley. Expect a big influx of skiers now that we have a better snow pack to cover the rocks.

Navy Needs Seabees

The navy recruiting station reports that the navy needs men to serve the "Seabees" construction battalions.

Experienced construction workers which include surveyors, electricians, mechanics, carpenters, equipment operators, steelworkers, and plumbers are especially needed for enlistment at an advanced rate of petty officer. Enlistment will be for 30 months.

Applicants for the program must have at least 24 months experience in construction work and be under 40 years of age.

The new Seabee will skip the regular boot camp, but instead will be sent to a petty officer indoctrination school at Gulfport, Miss. for six weeks, then be assigned to a regular mobile construction battalion for probable duty in Vietnam.

Eligible men are urged to take full advantage of this opportunity. Further information may be obtained from your Navy Recruiter located at 14 E. Fourth St., Reno or telephone 784–5566.

SECOND BIG WEEK – The Commodores enter their second week at North Lake Tahoe's Nevada Lodge. Their dynamic performance is distinguished by precision vocals, versatile instrumentals and devastating impressions of other performers. The Commodores will appear nightly in Nevada Lodge's Topaz Room through January 5.

Commodores In Second Big Week At North Shore's Nevada Club

It's smash–hit–business as usual this week at North Lake Tahoe's Nevada Lodge, where the popular Commodores treat winter patrons to a virtuoso performance of songs and humor.

The Commodores appear nightly in the Topaz Room of Nevada Lodge, North Lake Tahoe's largest year–round resort hotel casino. Their dynamic performance includes fresh treatments of jazz, swing, rock, spirituals and folk songs.

One of the features that makes the Commodores one of the most popular groups ever to perform at Nevada Lodge is their devastating array of impressions of other singing groups. This has become a Commodores trademark, and whether male or female, single or group, no vocal performer is "safe" from the hilarious and remarkable Commodore "treatment."

The Commodores also bring to the stage a remarkable versatility instrument – wise. Charlie Speed sings top tenor and plays Fender bass; Rusty Wade sings second tenor and plays piano; lead singer Kenny Smith doubles on guitar and banjo; Ronie Baron is acclaimed as one of the West's most progressive drummers.

Opening next Friday night are Naida and Nano, a Hawaiian duo who have played Nevada Lodge before to rave reviews. The Commodores will continue on at Nevada Lodge through January 5.

Johnson Blasts Federal Highway Officials

WASHINGTON – In a statement filed in his behalf, California Congressman Harold T. (Bizz) Johnson charges that federal highway officials are in no position to properly determine what is best for local communities in highway relocations.

"I completely disagree with the concept," Congressman Johnson told the Federal Highway Administration, "that the federal highway administrator in Washington, D.C., can better represent the local people than their legally elected legislative body."

Johnson, a former mayor Roseville and California state senator, contended that the proposed federal regulations relating to location and design approval of federal–aid highways must "have been formulated in a vaccum."

He contended that the federal agencies had failed to take advantage of procedures developed by various states through years of constructive effort and practical experience.

"As a case in point, California has long recognized the desirability of establishing procedures to insure maximum community involvement in the decision making process," Johnson said. "As a result of more than 20 years of development, California now operates under a mature and sophisticated procedure that assures full and maximum constructive community involvement in the total highway planning process."

Following the extensive route adoption procedure for freeway locations in California, written freeway agreements are entered into with the local governmental body involved. Execution of the freeway agreement by the local agency is authorized by their respective jurisdictions at open public meetings in every case.

"I believe there is no better assurance that highway design reflects local desires than by execution of a formal freeway agreement with each affected local agency," Johnson declared.

"The proposed regulations contain many ambiguities and untried procedures which could greatly stall the Federal Highway Program. They effectively nullify the traditional home rule concept," Johnson charged. "As the regulations are now written the Federal Government will effectively take over control from home rule with respect to location and design of all federal–aid highway projects on state highways, county roads and city streets."

Johnson urged, because of the widespread disagreement with the proposed procedures, that the Federal Highway Administration defer all further action on the proposed regulations. He further proposed that a task force representing the states be appointed to work with the Federal Highway Administration to develop procedures which will bring about effective public participation without serious and unnecessary delays in highway improvements so badly needed by the public.

COMING TO RENO – Glen Campbell debuts in Harrah's Headliner Room on December 26; he will be joined by Yonely, the Moro–Landis Dancers, and George Hernandez and his Orchestra through January 1.

DFG Excludes 60 Hunters As Cheaters

The Department of Fish and Game reported last week that it has barred 60 persons from public shooting areas and is investigating the possibility of citing them for filing multiple applications to hunt the public areas, a violation of fish and game regulations.

The DFG noted that Fish and Game Commission regulations governing public hunting areas prohibit any person from filing more than one application for a reservation on any one such area during each half of the waterfowl season.

Since reservations are awarded on the basis of public drawings, the DFG noted that violators are reducing the chances of the honest applicants by filing multiple applications.

One "sportsman" filed 14 applications for one wildlife area for a single shoot day during the second half of the season.

The DFG prosecuted 12 such cases last year, and several resulted in fines for the offenders.

The regulations also require that the DFG bar offenders of the multiple application rule from hunting any of the 14 areas on which the DFG manages public shooting for the balance of the season.

One of this year's offenders, who filed twice for each of three areas for the second half of the season, is a repeat offender from last year. Each of the 60 has been notified that he is prohibited from hunting the public shooting areas for the balance of the season. The cases have been referred to field wardens for investigation and possible prosecution.

Trem Talk

By BETTY SHIVELY

The past week carried two major events to success. The week was interesting to say the least. It included lectures, banquets, basketball games, and a minimum day!

Last Tuesday night the California Scholarship Federation held its annual Scholarship banquet. The banquet room was aglow with the candlelight atmosphere of Christmas. The many guests enjoyed a delicious prepared by a small group of girls headed by Diane Rose. Diane had the big job of buying and transporting the groceries needed for the event. She is commended for the great job done along with those who prepared the meal. CSF would like to thank especially Mrs. Miriam Zwarg and Mrs. Ava Glenn for allowing the group to use the kitchen facilities.

The mood of the evening was set by the attractive decorations. The tables were decorated with fresh pine boughs, cones, and candles. The Christmas tree was decorated beautifully. Soft Christmas music enhanced the setting. Carol Lindstrom was in charge of decorations. To her and her committee – Tres Bien! Special thanks go to Mr. Jay Price of Boreal Ridge Ski Area for the lovely Christmas tree. Entertaining the guests during the dessert course were Cindy Griggs, Mary Ann Atkinson, Greg Hill, Debbie Lomax and Eric Von Der Ahe.

The success of the banquet could not have been possible without the complete cooperation of every member of CSF – and we mean the dishwashers Larry Doyle, Bill Brehler, Gary Emery and John Miron. But above all greatest thanks to CSF's fearless leader, Mr. Norman Dewhurst!

* * *

We almost had a snow day last Wednesday, but we missed it by about 3 feet of snow! We did have a minimum day Thursday; however, it was preplanned. Each class was 35 minutes long – just long enough.

Wednesday brought us a guest speaker at a morning assembly. Mr. Paul Yearout spoke to the students relative to our generation in comparison to his "stereo" generation. The "stereo," according to Mr. Yearout, is talking out of both sides of the mouth at the same time. We all enjoyed the talk.

* * *

A committee of students has been organized for the school accreditation. This committee will evaluate the school from the extra–curricular – viewpoint – how much the school has to offer and the value of the student activities. This evaluation has nothing to do with the academic value of the school. The faculty and staff will be making the same evaluation all of which will be sent to a group of school authorities in California. Later in the year this group of men will visit our school for the final evaluation.

* * *

This is the last week to purchase Girls' League candy for the holidays. The profits go toward a scholarship next June.

* * *

Don't forget the TNT Christmas program tomorrow night – December 19 8 p.m. in the high school gym. There is no admission charge.

State Indians File For Funds

William E. Finale, area director for the Sacramento Area Office of the Bureau of Indian Affairs, announced that applications for enrollment to participate in the distribution of the California judgment funds are now being forwarded to California Indians. Finale stated that over 20,000 application requests received prior to December are being processed as rapidly as possible and that interested persons who had previously written to the Sacramento office for application forms, need not submit a second request.

Finale also emphasized the requirement that applications must be filed with the area director on or before September 22, 1969.

Our offices will be closed

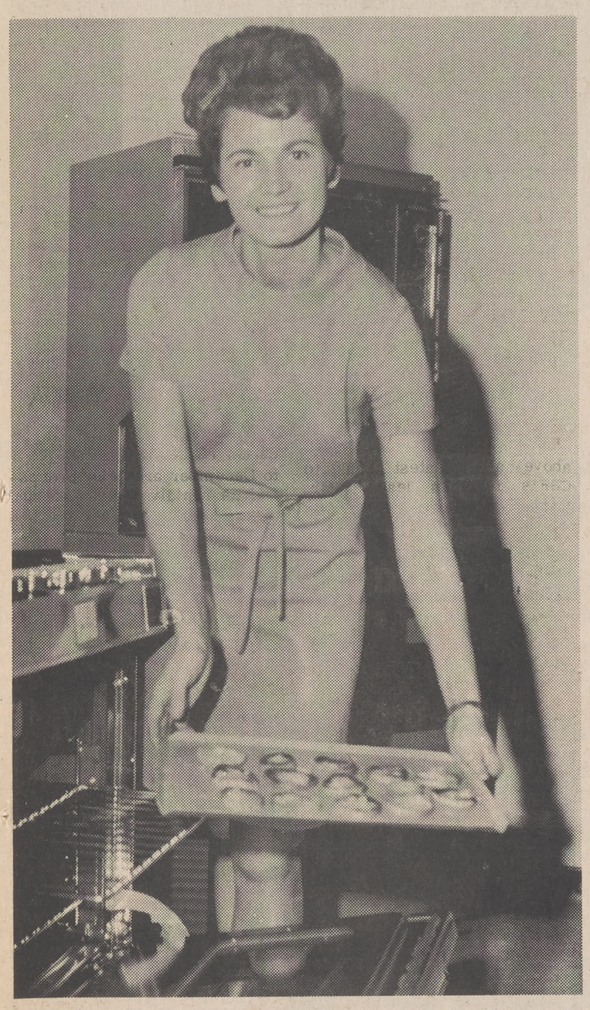
Refreshments, Office Tour At Gas Company Open House

HE DIDN'T KNOW – James Gibson of Kings Beach had no idea he was walking into an "open house" party – and the picture-taking lens of a camera. He only came in to sign up for service. He is shown with Shirley Smith, office supervisor of Southwest Gas Corp. – Sun Photo

"AFTER THE BALL" – Staff members of Southwest Gas Corp. gather around the refreshment table after greeting visitors Tuesday. The staff was host during an open house at new quarters on Northwood Blvd. at Tahoe Blvd. They are, from left, Charles Smith, Fran Cernasak, Joe Hammon, Shirley Smith, Ray D. Frazier, Gary Clough, JoAnn Sheerin, District Manager William H. Hay and Lianna Lervig. Despite heavy snow pack on slippery streets numerous visitors came out to inspect offices, warehouse space and shops. – Sun Photo



HOT HORS D'OEUVRES – Home Economist Jo Ann Sheerin of Carson City was on hand Tuesday to demonstrate appliances on display in the new showroom and dish up "different" hors d'oeuvres for guests at gas corporation "open house." Miss Sheerin is on call to serve both the Incline company offices and the Kingsbury Grade offices at South Shore. She is also available for group demonstrations on cooking and has demonstrations scheduled for January and February at Incline High School. –Sun Photo

GUESTS AT OPEN HOUSE – Mr. and Mrs. J. W. Farnan are served punch by staff member at gas corporation open house Tuesday. The Farnan's are proprietors of the North Shore Answering Service at Kings Beach. –Sun Photo

Plea 'No Contest' In Court

District Judge John Barrett has scheduled a hearing for Jan. 16 to decide whether a charge against Chapman Wentworth, 51 year-old former publisher of the Tahoe Daily Tribune, should be treated as a felony or gross misdemeanor.

Wentworth, whose trial on two counts of manslaughter had been scheduled to get under way today, pleaded no contest to the charge which was filed after a July 15 traffic accident on Lake Tahoe's north shore.

Washoe County sheriff's deputies said a car driven by Wentworth and another driven by Russell K. Crews collided at Southwood and Village Boulevards at Incline Village. Mr. and Mrs. Crews suffered fatal injuries when they were thrown from their automobile.

Wentworth and his wife, Janet, suffered multiple cuts and bruises and fractured ribs.

New Daughter

A baby daughter was born Dec. 8 in Yuba City to Mr. and Mrs. David Sorani of Marysville.

Postal Clerks Get Awards

Felix E. Wroblewski and David E. Williams, employes of the Tahoe City Post Office, have been given the Superior Accomplishment Award for their parts in the apprehension of a robbery suspect here Aug. 23.

The awrds, along with $250 each, were presented by local Postmaster Oliver Corona.

The post office had posted a notice on stolen money orders. On Aug. 23 Thomas Brill tried to cash a money order which turned out to be one of the listed stolen orders. Brill was apprehended and was found to have more than $500 in stolen cash and money orders.

Truckee Native Is Killed

Ardle C. Pierce, 58, owner and publisher of the River News Herald in Rio Vista, who was killed when struck by a car on a street in San Francisco Dec. 6, was a native of Truckee and graduate of the University of California. He was city editor of the Post Inquirer in Oakland and partner in the Roseville newspaper before moving to Rio Vista.

EDA Grant For Nevada County Announced By Bizz Johnson

The Economic Development Administration has approved a $595,200 grant to Nevada County, Calif., to assist in construction of a sewer system for the Glenbrook Industrial area.

Rep. Harold T. (Bizz) Johnson said the $744,000 sewer project will make possible the construction of an electronics manufacturing plant by Arvin Industries and establishment of 10 other new businesses with a total new payroll of 660.

Announce 7 Queen Sponsors

Seven sponsors have announced candidates for the Eighth Annual Sno–Ball of the North Lake Tahoe Chamber of Commerce. The ball kickoff event for North Tahoe Winter Carnival, will be held Friday, Jan. 17 at Nevada Lodge, Crystal Bay.

Candidates and their sponsors are: Diane Rose of Truckee, Truckee Lions; Linda Dwyer of Homewood, Soroptimist Club; Pam Bradley of Tahoe City, North Tahoe Rotary; Dona Beck of Tahoe Vista, Tahoe Sierra Board of Realtors; Leslie McBride of Tahoe City, Tahoe City Rotary Club; Elizabeth Swain of Incline Village, North Tahoe Lions; Cynthia Fox of Homewood, Tahoe Squaws.

Other candidates and sponsors will be announced later.

Our Local Girl Scouts Are Engaged In Many Projects

There are now 20 Girl Scout troops in the Truckee Tahoe Neighborhood from Incline Village, Nev. to Donner Summit and Kingvale, Calif.

Mrs. Pat Sutton, neighborhood chairman, announced there are nine Brownie troops, seven Junior troops and four Cadette troops. Many are engaged in a variety of Christmas service projects.

Brownie Troop 53 in Tahoe City made a large Christmas mobile for the Tahoe Lake Elementary School library and members will go caroling Christmas Eve. Mrs. Rudolf Grigoleit is leader with Gloria Lambert and Marilyn Smith, assisting.

Tahoe City's Brownie Troop 163 made a Christmas tree of bread dough and decorated with baked ornaments. They will present their creation to the Tahoe Forest Hospital. Leader is Pat Schutte with Mrs. Richard Deliantoni and Mrs. Tim Sullivan assisting.

Decorating a tree with handmade ornaments was the project of Junior Troop 120 in Tahoe City. The tree was put up in the troop's meeting place in appreciation for use of the privately owned facility. Mrs. Earl Hagadorn and Mrs. John Kearns are coleaders with Mrs. Jim Williamson, assisting.

Last Monday members of Tahoe City Junior Troop 172 went caroling through the business district during afternoon hours. Mrs. Allen Blume is leader while Marguerite Shaw is assistant.

Bringing cheer to youngsters at Sunnyacres, Nevada Children's Home in Carson City, took the combined efforts of all the Incline Village troops.

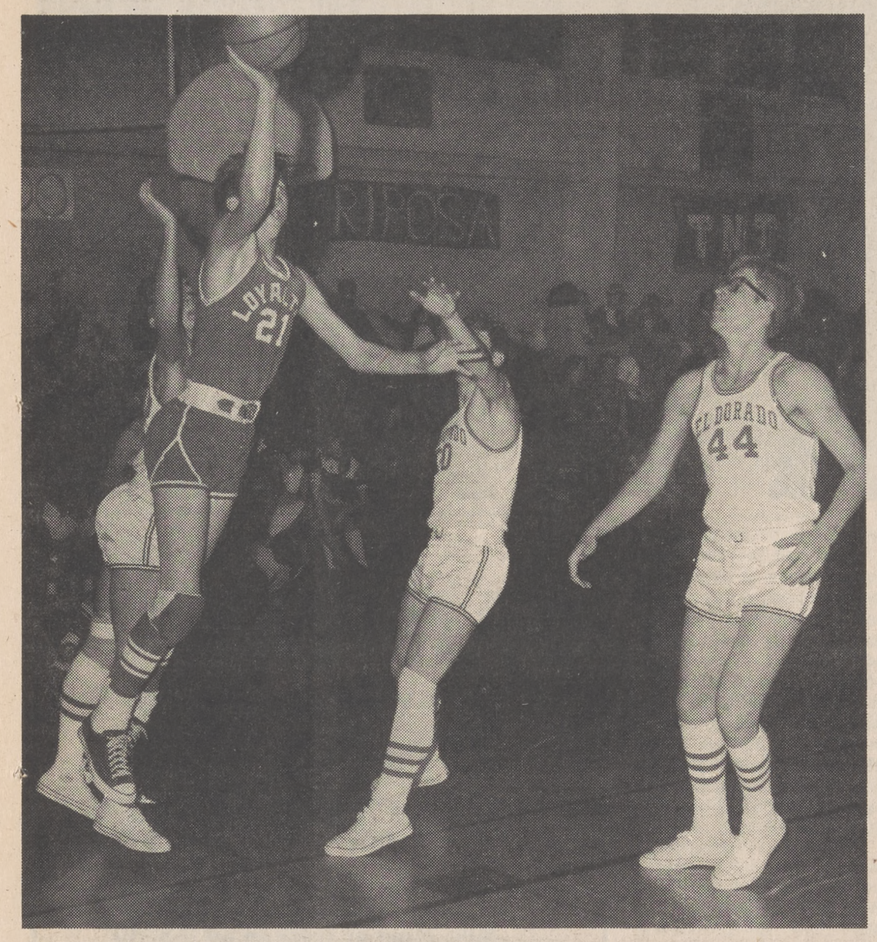
Under the leadership of Mrs. Tom Dolley Jr., Brownies in Troop 82 made larte net stockings for each child in the home. Helping Mrs. Dolley were Lois McRice, Nancy Williamson and Shirley Robinson.

Members of Junior Troop 136 made Christmas cookies and a small gift for each stocking. Adults working with these groups are Joan Riley, Lee Glauner, Margery Benson and Yvonne Ivovic. Cadettes will deliver the stockings.

The Incline Brownie and Cadette troops will join to sing Christmas carols at Incline Shopping Center on two evenings before Christmas.

The four Truckee Girl Scout troops combined efforts to make ornaments and decorate the community's downtown Christmas tree. (See picture page 1.)

The Truckee Cadettes also helped at the annual Fire-ettes Children's Christmas Party Saturday morning. They wrapped packages for the children attending and acted as Santa's elves to distribute the gifts.



LOYALTON MAKES TWO AGAINST EL DORADO – Guard Gerard Grandi, 21, shoots over El Dorado opponents for a basket, but Loyalton lost consolation game 85–40 in Truckee basketball tournament Saturday night. —Sun Photo

INGENUITY AND SCRAPS – Close-up of downtown Truckee community Christmas Tree shows Girl Scouts handiwork. Youngsters devised bells, candy canes stars, mobiles and other ornaments from scrap materials. The Scouts decorated the tree (see Page 1) during a Tree Trimming Party last Saturday. —Sun Photo

PUC Hearing In Tahoe City

The California State Public Utilities Commission has announced a rehearing on the matter of W. C. Frost, Tahoe Pines Water Co. and Ross W. Ashley of San Rafael.

The hearing will take place Thursday, Dec. 19, at 10 a.m. at the California Alumni Center near Tahoe City. All interested persons are invited to attend and be hears.

Disburse Taxes To Counties

State Controller Houston I. Flournoy last week announced the distribution of $6,104,612 to counties and cities as the November apportionment of cigarette tax.

Nevada County's share was $2,577.37 and Placer County's $5,254.24.

These amounts represent 30 per cent of the revenue deposited in the Cigarette Tax Fund during the month of October.

CHAMPIONSHIP GAME – Mike Ray of Colfax lays one up in championship game against Mariposa, which Colfax lost 62–56. Play took place at the second annual Invitational Basketball Tournament at Tahoe Truckee High School last Thursday, Friday and Saturday. —Sun Photo

Chamber Pot-Shots:

By BETTY LAYTON

More Monday holidays is what we need in our resort, recreational community. Last year, uniform Monday holidays for Washington's Birthday, Labor Day, Columbus Day and Veterans Day was passed by the U.S. Congress and they left it up to the individual state to vote on it. The legislature was not passed in California because there were not enough interested persons to push it with their legislators. At the chamber meeting last Wednesday, the directors voted for a letter writing campaign by all chamber members in an effort to get it passed this year.

In other action, the directors passed a motion in favor of appealing the California inventory tax. The passage of 1A in the November election will allievate some of the pressure of the tax; however, it was pointed out that the inventory is based on quantities of merchandise on inventory held by the mechants as of the 1st of April. It was the feeling of the directors that it would be more equitable, on an average basis, of the inventory kept on a year-around basis, especially here in this resort area. Ron McIntyre was appointed legislative chairman by president Damanchki and twenty-five directors, members and guests were present to hear the plans for the forthcoming Winter Carnival, January 17–26.

– – –

A vote of confidence should be given to our two utility districts for their concerted efforts to bring more recreation to this beautiful mountain resort area. Already the North Tahoe District, with the help of the Kings Beach Community Club, obtained a beautiful piece of land in Kings Beach to be developed as a beach and marina. This was accomplished with a very few local dollars contributed along with county, state and federal matching funds totaling nearly one-half million dollars. In addition to this, the district is looking for ways to finance the purchase of 927 feet of the Joseph King property.

The Tahoe City Public Utility District, with the aid of the Tahoe City Recreation Association, has made great strides toward obtaining the famous "Bureau of Reclamation 64-Acres" which is located just south of the Truckee River. Recently, the TCPUD mailed a questionnaire to all the property owners and voters within its district (approximately 5,000) concerning the advisability of expanding further into recreation and budget funds for this purpose. Of the first several hundred returned, the vote is running 10 to 1 in favor of expanding recreation, and beaches and marinas are the most popular choice. If you are included, get your questionnaire mailed to get counted! With the tremendous growth in the area and the scarcity of lakefront land for the user of the public, it becomes imperative that more beach frontage land is set aside for our visitors and tourists. We feature the lake; the people must get down to enjoy it.

A big welcome to the new Lucky Store which will serve our entire area, and another sign of growth in the community is the plans of Placer County to enlarge their administrative center located north of Tahoe City. Plans call for 45 feet to be added onto the sheriff's end of the building with a 20-foot addition to be glass-enclosed on the front side, which will include a reception area. The increase is of the magnitude to necessitate rerouting of the present access road. Sounds great and we'll be proud of it when completed in '69.

Fish And Game Commission Adopts 1969 Fishing Regulations

A reduction in the salmon sportfishing limit from three fish to two heads the list of major changes in angling regulations adopted by the California Fish and Game Commission for 1969.

The reduced salmon limits apply throughout the season in the ocean south of Tomales Point and August 1 through December 31 on 13 central valley streams on which the Department of Fish and Game has reported a serious decline in the king salmon resource. The streams will have a three fish limit from January 1 until the opening of the regular trout and salmon season, when limits for that season will apply. The streams are the American, Feather, Mokelumne, Napa, Sacramento, San Joaquin, Stanislaus, Tuolumne and Yuba rivers, and Elder, Putah, Stony, and Thomas Creeks.

Other highlights of the new regulations, adopted at a meeting December 6 in Los Angeles, included provisions which:

– Allow fishing beneath the ice, starting January 1, 1969, during the open season for that water.

– Set the 1969 general trout and salmon season May 3 through November 15. The northwestern season will be May 24 through November 15. and Southern California will continue to have all-year trout fishing with reduced winter limits. The limit remains at 10 trout or salmon in combination, but not more than 10 pounds in one fish.

– Establish a fly-fishing-only area on Hot Creek in Mono County, but allow the use of other artificial lures as well as flies for the first half mile below the Hot Creek Hatchery.

– Set a limit of two trout per day on Lower Hat Creek in Shasta County, where an experimental wild trout project is being carried on by the Department of Fish and Game, Wildlife Conservation Board, Pacifc Gas & Electric Company, and Trout Unlimited.

– Open Sherwood Lake in Ventura County to night fishing, and allow night fishing in all of Merced County except San Luis Reservoir, O'Neil Forebay, the Delta-Mendota Canal and portions of the San Joaquin and Kings River.

— Allow the use of any number of attractor blades on Clair Engle (Trinity) Lake and Whiskeytown Lake, and change the Clair Engle Lake trout season from all year to March 1 through November 30.

– Close the East Walker River to trout fishing for 250 feet below Bridgeport Reservoir.

– Establish a salmon and steelhead spawning closure on the Klamath River at the mouth of the Scott River.

– Allow the use of liver and meat for bait for trout in inland waters.

– Establish a year-'round frog season for Northern and Central California.

– Prohibit the use of a hook with more than one point and larger than size No. 1 on a portion of the Trinity River from May 15 through November 30, and on the Salmon and Scott rivers July 1 through the last day of February. The measure is designed to curb illegal snagging of spawing salmon.

– Open the Kings River in Fresno County to all-year trout fishing from the Alta Weir upstream to Pine Flat Dam, with only artificial flies allowed except during the general season. The winter limit will be increased from zero to one fish, and the area from Alta Weir down-stream will be open to winter fishing with a three-fish limit and the use of bait allowed.

– The Merced River is closed to salmon fishing.

– Establish an October 1–November 15 fishing closure on the San Lorenzo River from its mouth to Water Street Bridge.

– Retain the fall-winter fishing closure on Aptos Creek above tidewater.

The Commission turned down a proposal by the Department of Fish and Game to reduce the limit on golden trout in the upper Cottonwood Creek drainage from 10 fish to five, but accepted a DFG proposal to open Cottonwood Lakes Nos. 5 and 6 with the general trout season.

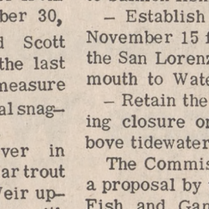
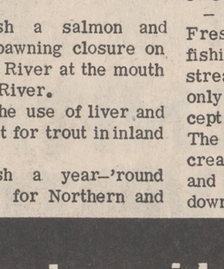
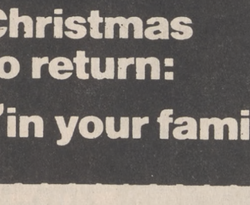
How to avoid getting Christmas gifts you'll only want to return:
give this to the "Santa" in your family

Dear Swinging Santa
I have been a very good bowler this year – but I could do even better with the best in bowling equipment. Like a Dick Weber - All-Pro bowling ball.





And maybe a new A.M.F. bag to keep it in. And if you have any room left in your bag maybe a pair of A.M.F. shoes.



P.S. Santa, if you give me these, I'll give you the same and XXXXXX

Wayne Brown Takes Office

Sheriff Wayne Brown of Nevada County has assumed the office of president of the California State Sheriff's Association. Brown moved up from vice president to succeed Frank Madigan of Alameda County, who resigned because of illness.

Edwin Morey

Edwin M. Morey, 67, brother of Daven Morey of Truckee, died on Thanksgiving Day while visiting at his daughter's summer home in Santa Cruz. He was a retired businessman and made his home in Sacramento. Funeral services were conducted the following Monday at East Lawn Cemetary, Sacramento.

Robichaud

Funeral services for Mrs. Marie E. Robichaud, 83, mother of Francis W. Robichaud, former Truckee attorney now practicing in Sacramento, were held last Wednesday in Carmichael. She was a native of Canada and for the past 15 years had lived with her son.

FLAG PRESENTATION – Will Blankenship of Tahoe–Truckee Chapter, Order of DeMolay, made the flag presentation during Truckee Masonic Lodge 100th installation ceremonies. In Background, Mary Ann Atkinson, musician, plays during the rites. —Sun Photo

Truckee Masons 100 Years Old This Month

A CENTURY OF MASONRY – Clayton G. Shane was installed master during the 100th installation Saturday of Truckee Lodge, Free and Accepted Masons. Although records of the first 25 years have been lost, it is known that dispensation was granted for Truckee Lodge in 1869 and meetings have been held ever since. First meeting place was over a livery stable located where Thornton's Garage now stands. Meetings were called by raising a flag over the building. Officers installed were front row, from left, L. W. "Skip" Ferdinand, chaplain; Zeph Rose, installing master of ceremonies (both past masters); Clayton G. Shane, master; C. Patrick Shane, marshall; Earl Smith, senior steward; second row: Joe Pilley, junior deacon; Charles Rich, treasurer; Gerry C. Eden, junior warden; Walter Pope, chaplain and installing officer; Warren D. Baxter, junior steward; J. Daniel Anderson, secretary. Rich and Anderson are also past masters. —Sun Photo

Boreal Ridge Gets Underway

Boreal Ridge, the popular ski area on Interstate 80, opened their small T–bar slopes over last weekend. Management and customers of Boreal Ridge join the other High Sierra Ski areas in praying for more snow. Boreal Ridge can now claim to be the only ski resort with a resident meteorologist stationed right in the main lodge. Bill Thorpe of Sacramento, well known weatherman on TV and radio, has joined the staff at Boreal as assistant general manager. Bill noticed something on the radar screen and reported proudly to the Sunday skiers that the white stuff is not far away. It arrived on the Summit Tuesday and Boreal is tentatively planning to open Friday.

Several hundred skiers were joined last weekend by 30 members of the East Bay Ski Patrol who were holding their annual refresher course on the slopes of Boreal under the direction of Tom McLaughlin. A group of students from the American River College took the opportunity to learn more about the safety and rescue on ski slopes. These trainees are enrolled in a special college class studying ski patrol work.

Boreal Ridge's General Manager, Jay Price, was very impressed with the high spirit and technical ability of the fifty skiers who took part in the California Ski Teachers Clinic at Boreal Ridge. Participants in the Clinic came from as far away as Santa Cruz and will continue their studying next weekend. The modern methods used in the Ski Teachers Clinic, including video tape, will enable the professionals to search and find good future instructors who are so urgently needed at all ski resorts. The annual clinic is under the direction of Jay Price of Boreal Ridge and Gary Fontaine of Sacramento.

NAMED TO SALES POST – Marvin Klassen, left, Wednesday was named sales manager of Tahoe Sierra Development Co. at Incline Village. Announcement was made by Don Steinmeyer, vice president and project manager for the firm which has announced a $12 million condominium development at Lake Tahoe.

Sunbeams

(Continued from page 1)

times.

At that time the district had less than 20 miles of roads and streets, not one foot of which was paved or surfaced. A 20–foot strip of hard–top down the center of the main street, then a portion of old Highway 40, was maintained by the state and plows only pushed the drifting snow onto the parking area and sidewalks.

Only those who were here in those years can appreciate what Loehr has done since.

Currently the district embraces some 65 miles of streets and roads, every foot of which is paved and surfaced and maintained winter and summer. We have four huge trucks, each equipped with plows for snow removal, a powerful and adequate road grader, a tractor, pick–ups, radio equipped, a huge Sno–Blast and two Sno–Goes, all in excellent repair and fully adequate for the needs of the district.

Much of the modern equipment was provided through the efforts of the supervisor, who has for 24 years kept his district equipped and ready for its progress and development, despite handicaps and strong opposition from others who, with a less determined and qualified man, could have held us back from the advancements which are now so apparent.

We are pleased that Loehr, although soon to be displaced as supervisor, will remain among us to lend his experience and guidance in future development of our district.

A Son Arrives

Mr. and Mrs. Robert Tamblyn of Crystal Bay are parents of a baby son born Dec. 9 in Reno.

Move Deadlines For Holiday

The Sierra Sun will observe early news and advertising deadlines for the issues of Christmas week and New Years week. For the Christmas issue, deadline is Friday noon, December 20. For the New Year issue, deadline is Friday noon, December 27.

Area 4-H Leadership Will Meet At Sierra

Sierra College will be the site for the eight-county Regional 4-H Leader Conference on January 18, announces John Emo, 4-H Specialist.

Leaders and junior leaders serving Nevada, Placer, El Dorado, Amador, Calaveras, Sacramento, Yolo and Solano Counties will discuss program responsibilities and plan joint activities reinforcing county programs.

The Sears Roebuck Foundation will host the meeting and provide the luncheon for an estimated 300 guests.

A general session at 10 a.m. in the Student Center will review new dimensions of 4-H Club work as they relate to an expanding program and increased educational opportunities for today's modern youth.

Three additional morning sessions will review modern activities for 4-H clubs, new projects and records, and 4-H clubs and the community. Afternoon workshop groups will work on specific methods involved in planning, organizing, and conducting effective programs in health, safety, public speaking, recreation, community pride, citizenship, demonstrations, summer camps, dress revue, international farm youth exchange.

Other workshops will establish leader recommendations for expansion and development of new projects including wildlife, money management, small engine, veterinary science and automotive.

Interaction of 4-H clubs and the community will be outlined in sessions covering organization of leader councils, local financing of club activities, junior livestock sale committees, awards in 4-H, and sponsoring new clubs.

Reservations are necessary for the luncheon and can be made by contacting community club leaders of the 4-H Office.

LEGAL NOTICE

NOTICE OF TRUSTEE'S SALE
No. 36588

NOTICE IS HEREBY GIVEN, that on January 10th, 1969, at the hour of 11:00 o'clock A.M., on the front steps of the County Court House Building, at Nevada City, California, INTER—COUNTY TITLE CO., as trustee, will sell at public auction, to the highest bidder for cash in lawful money of the United States, all payable at the time of sale, real property situate in the County of Nevada, State of California, and described as follows:

Lot 96 of Olympic Heights Unit No. 2, filed May 9, 1960, in Book "1" of Subdivisions, page and Map No. 120, Nevada County Records.

The sale will be made without covenant or warranty regarding title, possession, or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in that certain deed of trust executed by J. R. Donaldson and Dorothy M. Donaldson, his wife, as trustor(s), to Inter-County Title Co., a California corp., as trustee, for the benefit and security of Truckee Heights, Inc., the named beneficiary, dated 9/16/65, and recorded 9/27/65, in book 387, page 491, Official Records of said County.

Said deed of turst was assigned to J. W. Rupley et ux, by assignment recorded in Book 414, page 599, Official Records of Nevada County.

Notice of default and election to sell the described real property under the mentioned deed of trust was recorded on 4/5/68, in book 444, page 169, Official Records of said County.

Dated: December 11, 1968
INTER-COUNTY TITLE CO.,
Trustee
By: Earl C. Erickson
Vice President & Manager
December 18, 24 & 31, 1968.

NOTICE OF HEARING
ON ANNEXATION OF
TERRITORY TO
NORTH TAHOE FIRE
PROTECTION DISTRICT

The Board of Directors of North Tahoe Fire Protection District will: On January 2, 1969, at the hour of 7:30 o'clock P.M. of said day, at the offices of North Tahoe Fire Protection District, 288 No. Shore Blvd., King's Beach, Placer County, California, hold a public hearing on proceedings for annexation of territory to the District.

The territory proposed to be annexed is situated in the vicinity of Agate Bay, Lake Tahoe, Placer County, California, and comprises generally a portion of Section 15, Township 16 North, Range 17 East, M.D.M., and is more particularly described in Resolution No. 17 of the Board of Directors of said District, dated January 2, 1969, on file in the office of said District, to which reference is hereby made for greater particularity.

AND NOTICE IS FURTHER GIVEN:

That all persons interested in or who may be affected by the proposed annexation of territory, shall appear at said hearing or show cause in writing, if any they have, why said territory or any part thereof should not be annexed to said District, and any person desiring to make written protest against such annexation shall do so by written communication, filed with the Clerk of North Tahoe Fire Protection District, as the conducting district, at its District office, not later than the date and hour set forth above for said hearing.

BY ORDER OF THE BOARD OF DIRECTORS of North Tahoe Fire Protection District, this 11 day of December, 1968.
Gladys Hart
Clerk – North Tahoe Fire Protection District
Dec. 18 & 23, 1968 s/s

NOTICE INVITING BIDS
COMSTRUCTION OF
BOAT RAMP AT DONNER LAKE

Sealed proposals will be received by the Truckee-Donner Recreation and Park District, at the Nevada County Government Building, Truckee, California, on or before 8:00 P.M., January 8, 1969, at which time they will be publicly opened and read aloud for the following described work.

The work shall consist of furnishing all labor, materials, equipment, transportation and services for the construction of a riprap wall with filter blanket for soil erosion protection around parking area, paving of a parking area, and a chain link fence, at the Donner Lake Boat Ramp.

Proposals must be submitted on bid forms furnished by the owner and delivered sealed in an envelope, plainly marked with the project name, and the name and address of the bidder on the outside.

Plans, specifications (including minimum wages and other contract conditions,) and contract documents are available for inspection at the Truckee-Donner Recreation and Park office, Gateway Shopping Center, Truckee, California, and may be had from said office upon a $10.00 deposit, which is returnable upon issuance of contract.

Dated: Dec. 11, 1968
WILLIAM F. CURRAN,
Secretary of the Board of Directors of the Truckee-Donner Recreation and Park District
Dec. 18, 1968 s/s

NOTICE OF
TRUSTEE'S SALE

NOTICE IS HEREBY GIVEN, that on Tuesday, January 7th, 1969, at the hour of 11:00 o'clock A.M., on the front steps of the County Court House Building, at Nevada City, California, INTER-COUNTY TITLE CO., as trustee, will sell at public auction, to the highest bidder for cash in lawful money of the United States, all payable at the time of sale, real property situate in the County of Nevada, State of California, and described as follows:

Lot 210, as designated on the Map entitled, "PLA-VADA WOODLANDS UNIT NO. 5", which map was filed in the office of the Recorder of the County of Nevada, State of California, April 9, 1965, in Book "2" of Maps, at page 43.

The sale will be made without covenant or warranty regarding title, possession, or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in that certain deed of trust executed by ARNOLD A. VALLEJO, an unmarried man as trustors (s), to INTER COUNTY TITLE CO., a Calif. corporation, as trustee, for the benefit and security of PLA-VADA DEVELOPMENT CO., a California corporation the named beneficiary, dated April 5th, 1968, and recorded May 9, 1968, in book 446, page 256, Official Records of said County.

Notice of default and election to sell the described real property under the mentioned deed of trust was recorded on August 22, in book 454, page 436, Official Records of said County.

West Shore Notes

By ELLEN ATTARDI

It's a swinging week at Squaw Valley this week as vacationing students from the Santa Barbara and Berkeley campuses of the University of California are staging a winter sports week. The 100 students from Santa Barbara and 200 from Berkeley are headquartered at the Olympic Village Hotel and are participating in many activities in addition to skiing.

Among the special events planned for the group by the management of the Olympic Village Hotel were a special welcoming party and orientation on Sunday evening, a ski-movie night held on Monday evening, a broom-hockey contest held at Blyth Arena on Tuesday night. On Wednesday evening, the students will be guests at a special dance held for them at Olympic Village and on Thursday night the more hardy souls will participate in a midnight swim-and sauna party.

* * *

The newest members of the Tahoe City Women's Club are Frances Miller of Carnelian Bay and Evelyn Surprise of Dollar Point.

* * *

Troop 172 of the Tahoe City Girl Scouts held a court of awards and investiture ceremony at a December 9 meeting held at the Tahoe City Community Center and among those honored at the meeting were scouts Dana McDaniel, Kay Plumbridge and Debbie Zink. These girls were all awarded badges for varied achievements.

New members who were honored at the investiture ceremony were Vicki Austin, Michelle Chisholm, Lisa Evans, Jan Hodel, Sharon Hodel, Jennifer Nichols, Penny Nichols and Pam Nored.

Patrol leaders of 172 are Karen Duttweiler, Vickie Austin, Jan Hodel and Linda Williams.

* * *

Home for a 26-day holiday vacation is Dianne McBride, freshman student at the University of California at Santa Barbara and daughter of Dave and Chick McBride of Tahoe City.

* * *

Dick and Nancy Deliantoni entertained friends at a dinner and games party at their Dollar Point home last Saturday evening.

* * *

Blyth Arena is open on a holiday schedule for all ice skaters starting on December 14. The holiday hours will continue through January 5 and they are from 10 a.m. to 4:30 p.m. and 8 to 10 p.m. daily.

* * *

Welcome to Dollar Point new residents Mr. and Mrs. Bruno Welz and family. The Welz' lived in San Francisco for a short time before coming here and after leaving their native land of Switzerland. Their family consists of Laurie and David who are new students at Tahoe Truckee High School and pre-schooler Bobby.

The Welz family will operate a new restaurant "The Swiss House," located in the Henrikson Building in Tahoe City, which will open this Thursday, December 20.

* * *

Sacramento visitors for several days last week were Steve and Wilma Korich of the Highlands.

* * *

Attending a recent family reunion held in Sipico, Utah were Mr. and Mrs. MacPherson and son Dallas.

* * *

Enjoying the skiing at Squaw Valley and Alpine Meadows and visiting friends in Tahoe City last week end were Christopher Aley, Carolyn Lossius and Tony Langton of San Jose State College.

* * *

The North Tahoe Rotary Club and the Tahoe City Rotary Club joined forces and entertained their wives at a Christmas dinner dance held Monday evening at the Chataux in Incline Village.

* * *

The Arnold Intorf's entertained friends at a dinner party at their Dollar Point home last Sunday evening. After dinner, the group enjoyed games of bridge and cribbage.

Girl Scouts of troop 120 and 172 joined forces on Monday to Christmas carol in the Tahoe City area and their songs were much enjoyed by the community.

Adult leaders of the two troops are Phyllis Blume, Marguerite Shaw, Barbara Schlumpf, Louise Hagadorn, Marky Williamson and Barbara Kearns.

* * *

Christmas projects of the Tahoe City Women's Club have been put into action and as a result the Veterans' Hospital in Reno will have a gayer Christmas party. The local group annually gives cash and a Christmas tree to the hospital. The club also made contributions of a tree to the Indian Reservation at Pyramid Lake and a money collection and gift to their "adopted lady."

These Christmas donations are but one of many worthwhile projects of the Tahoe City Women's Club. Mitzi Stollery is president of the group this year.

* * *

Don and Zena Hawken were hosts to Bank of California employes at a Christmas party at their Highlands home last Friday evening.

* * *

Expected home for the Christmas holidays is Tom Ruhkala who will arrive here this Saturday and spend five days with his family. Tom, a graduate of Tahoe Truckee High School, is a junior at the University of Wyoming at Laramie and is on a full athletic scholarship there. He was recently chosen to be on the national "B" team for cross country skiers after trials held at Winter Park, Colorado. In the trials Tom placed ninth in the national 13 kilometer race and in a special speed trial he placed second, only one second behind the first place winner. Tom is the son of Mrs. Joann Ruhkala of Lake Forest, and Marshall Ruhkala.

* * *

Mrs. Herb Beck of Dollar Point was a Los Angeles visitor for several days this week. Phyllis visited with her family and attended a family reunion while in Southern California.

* * *

One of the first ski mishaps of the season, occurred when Katie Long, daughter of Ned and Betty Long of Dollar Point, suffered a broken leg while skiing last Saturday.

* * *

Roger Kahn, son of Herbert and Elaine Kahn of the Highlands, is combining a pleasure and study trip to Europe and left here last Saturday for the venture. He will spend six days in Paris and from there will go to London where he will be staying at the University of London dormitories and visit an aunt in nearby Brighton. Roger will spend New Year's in Munich and from there he will go to Kochel in the Alps near Innsbruck where he will spend two months at Goethe University studying German.

A graduate of Tahoe Truckee High School, Roger just completed his second quarter of his junior year at the University of California at Berkeley.

* * *

Santa Claus will pay his annual visit to Tahoe City children this Friday evening when he will meet them at the tree in town at 7 p.m. and present them with gifts and goodies. This program, sponsored by the Tahoe City Rotary Club and the Volunteer Fire Department, is an annual event and children from pre-school age through second graders are eligible to participate and should be preregistered at local places of business.

Dallas McPherson is chairman of the committee of arrangements, according to Rotary president Walt Finke.

News From Floriston

By MRS. JAMES BARDEN

Congratulations are in order for Mr. and Mrs. Dan Goeschl on the birth of their second son, Merelyn, who was born December 1 at St. Mary's Hospital, Reno. Merelyn weighed in at 7 pounds 8 ounces. He has one brother Moss who is 1.

* * *

Candle-making was a mighty big undertaking by Mrs. Elmer Rusco, who aided and taught the younger Floristonians how to make the attractive Christmas gifts at the old school house – community building. The kids had a great time and Mary Rusco has retired from the candle business for another season!

* * *

Wayne Folwer, son of Mr. and Mrs. Carl Fowler, is home for the holidays after spending three years with the U. S. Army. He spent most of his stint in Germany where he was visited by two Floriston families, the Reichlins and the Suters, who were vacationing in Germany and Switzerland. Floriston may be small but Floristonians get around!

* * *

Home for Christmas is Tom Harrison, son of Mr. and Mrs. Irish Harrison. Rommy has been at Fort Pendleton for the last six months after the Christmas holidays will report back and be sent to overseas duty. Welcome home, Tom!

* * *

The annual Children's Christmas party will be held this Friday night with a special program by the Rev. M. Pat Davis of Reno, and Floriston. The party will be highlighted by the arrival of jolly old St. Nick and the giving of gifts and goodies.

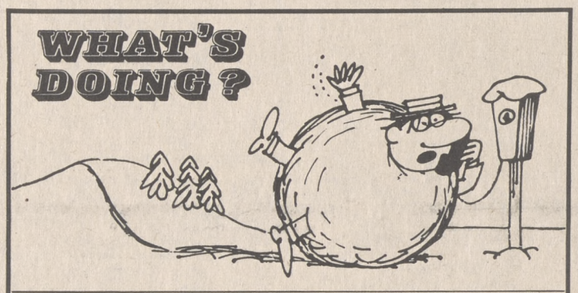
Speaking of Christmas, Floriston would like to invite any and all Tahoans and Truckeeites to venture down the highway to Floriston to see our huge lighted Christmas tree. The tree was wired three years ago by Mr. Alfred Funk and local teenage boys. The electricity is graciously paid for by Mr. and Mrs. Wesley Craig. Also well lit is the lovely Jamason residence, the largest home in Floriston.

Floriston wishes one and all a blessed Christmas and a very happy New Year.

Agency To Hear 4 Ordinances

Four ordinances are scheduled for final readings and adoption by the California Tahoe Regional Planning Agency, meeting at 10 a.m. Wednesday in the South Lake Tahoe City Council chambers.

WHAT'S DOING?



All of us at Pacific Telephone want to wish you and your family a very Merry Christmas and the best for the New Year ahead! We've enjoyed serving you in 1968, and we've tried to bring you the best possible service. Our resolution for 1969 is to continue working toward this goal.

• • •

Why not start your Christmas shopping with a trip to the Yellow Pages. It's fast, easy. I've discovered that the Yellow Pages offer a whole lot of ideas about what to give for Christmas . . . helps solve many problems in finding gifts, even those unusual ones. And say, if you're planning a holiday party let your telephone take care of inviting the guests and ordering the refreshments, the decorations or anything else you need.

• • •

I'd like to remind you that if you're calling long distance to loved ones this Christmas telephone lines can be overloaded during the holidays. Why not put your calls through *before* Christmas and avoid possible frustration and delay. It's best to know the area code and the number ahead of time and dial the call yourself. Calling during off hours, like in the afternoon, should put you through more quickly, too. And don't forget: every night, special late night rates from midnight to 7 AM allow you to dial direct station-to-station anywhere outside of California in the continental U.S.A. (except Alaska) for 75¢ or less for the first three minutes. For example, you can call when it's 6:30 AM here and it will be 8:30 AM in Chicago or 9:30 AM in New York.

SKIS ON STRAIGHT? – Al Kuckhoff, sparkplug of the Incline Village junior ski program helps Miss Shawn Benson adjust her skis at the start of the high school ski program this week. Anna Follansbee, director of the program, looks on. Miss Benson, an Incline High School Freshman was one of over 146 high school and elementary school students to sign up for the ski teaching program that is manned by Incline Ski Club volunteer instructors.

Supervisors Said Lone Objectors To Compact

Congressmen Harold T. (Bizz) Johnson said today, so far as he knows, El Dorado County Board of Supervisors is the only local government in the Tahoe Basin objecting to a proposed bi–state compact to regulate basin development and use.

Legislation by California and Nevada, calling for the bi–state compact, will come before Congress after Jan. 3 for ratification. Congress convenes Jan. 3.

Because both states drafted the legislation, Johnson said, he assumed they and their local governments in the basin were in agreement on the need for a compact.

But, in light of El Dorado County's objections, Johnson said he will review the legislation before it goes to Congress to determine if changes are desired.

At their meeting Monday, El Dorado County supervisors ordered J. Mark Neilsen, county administrator, to draft a letter to Johnson outlining the board's objection to a compact as it affects El Dorado County.

Thomas Goodloe, supervisor–elect, third district, also suggested supervisors consider a resolution objecting to the existing California Tahoe Regional Planning Agency, whose action pertains only to the California side of the lake.

A majority of the supervisors are against agency regulation because, they allege, too much money is asked from the county to finance such regulation.

And some of the supervisors say they do not believe local government's elected officials should be dictated to by the appointed officials of an agency.

Johnson said he favors a bi–state agency to coordinate efforts of local government in regulating basin development. "It won't solve all the problems," he said.

He said he knows of no better way to save the Lake Basin from over – development and pollution.

Johnson said he has heard no comment from the U.S. Department of the Interior regarding Lake Basin regulation.

Last summer, the department's secretary, Stewart Udall, remarked that if California and Nevada could not agree on how to protect the Lake Basin from pollution, his department might step into the picture. Such a move could mean federal regulation.

Ski Incline Has Snow; T-Bar, Blue Lift Open

While mother nature carefully avoided the Sierra during the past week, Ski Incline was busily making its own snow, gradually building up a good base for daily operation of the Blue lift (novice) and T–Bar. A few more good cold nights and the Red lift (intermediate) will be cranked up.

Halfday rates only will be charged until all three chairs are running.

FUND–RAISING – Diane Titlow, Grand Worthy Advisor of the Order of Rainbow for Girls in Nevada visited in the executive chambers of Gov. Paul Laxalt recently, leaving a sample of the candy Rainbow Girls throughout the state will be selling through the month of January. The candy sales are being held to raise money for the many community, school and church activities to which the Rainbow organizations contribute. The Rainbow chapter selling the most candy will receive a trophy for their efforts, according to Miss Titlow, who is a student at the University of Nevada.

Short Hair Rules Upheld

Ormsby County School Board has upheld a high school principal's ruling that boys' hair should not reach "over the ears and down the shirt collar."

The board unanimously upheld the short hair ruling when Supt. John Hawkins and some teachers and board members said they felt the question was not merely one of hair length but one of difiance of authority.

Jim Hackbarth, a junior high school teacher, said he felt the majority of trouble in the schools comes from boys with extremely long hair and girls with extremely short skirts.

The only dissenting voice was that of Virginia Kidd, a high school, speech, drama and debate teacher. She maintained that things like hair length should be left to a student's discretion as long as he doesn't interfere with the rights of others.

Navy Issues Call For 'Seabees'

The Navy recruiting station reports that the Navy needs men to serve the "Seabees" construction battalions.

Experienced construction workers, including surveyors, electricians, mechanics, carpenters, equipment operators, steelworkers, and plumbers are especially needed for enlistment at an advanced rate of Petty Officer. Enlistment will be for 30 months.

Applicants for the program must have at least 24 months' experience in construction work and be under 40 years of age.

The new Seabee will skip the regular boot camp, but instead will be sent to a Petty Officer indoctrination school at Gulfport, Miss. for six weeks, then assigned to a regular Mobile Construction Battalion for probable duty in Vietnam.

Eligible men are urged to take advantage of this opportunity.

Further information may be obtained from the Navy Recruiter located at 14 East 4th St., Reno, Nev. Phone 784–5566.

If freedom of choice is important to you, shop at Raley's!

CHOICE.

Our shelves are loaded with it.

Famous Labels. The advertised ones.

The brands you have confidence in.

Take canned tomatoes, for example.

We've got seven different advertised brands for you to choose from. We've got tomatoes in big cans, medium sized cans and little cans.

And that's only the beginning.

We've got canned whole tomatoes, stewed tomatoes, diced tomatoes, sliced tomatoes, wedged tomatoes and pear shaped tomatoes.

Then there's the hundreds of items you seldom buy. Like spiced grapes, celery hearts, and papaya nectar. When you need an unusual ingredient for a special recipe, you can count on us.

Our Delicatessen Departments are "San Francisco" style. Lots of imported and domestic goodies for you to browse over. Like Laughing Cow Cubes, Halva Kosher Candy and German Hand Cheese.

And we're fanatics about being first with the newest food items. Our latest is wild! It's Mott's Clamato Juice. (clam and tomato juice)

And we could go on.

But it all boils down to this.

If you like to shop in a supermarket that has variety, selection and *freedom of choice,* you'll find them at Raley's.

ALL STORES WILL CLOSE AT 7:00 PM CHRISTMAS EVE AND WILL REMAIN CLOSED CHRISTMAS DAY

Tahoe City New Home Of Lucky Market

TAHOE SUPERMARKET – Lucky Stores Inc. opens the newest branch in its chain of supermarkets this week in Tahoe City on Highways 25 and 89. Paul Palmer, manager of the new discount center, has announced opening hours for the store. Business will be carried on from 10 a.m. to 9 p.m. daily, 9 a.m to 7 p.m. Saturdays, and 10 a.m. to 7 p.m. Sundays. The building covers a total of 28,667 square feet, 17,370 square feet of which is used for sales area. Grocery, meats and produce will occupy 9,600 square feet. Other personnel as Lucky's includes Wilfred Williams, assistant manager; Clark Bannert, meat department manager; Eugene Laymance, produce department manager; and Bob Burnett, head clerk.

Lucky Store will open it's newest store Wednesday (Dec. 18) in Tahoe City.

The new supermarket structure contains 28,667 square feet of floor space with 17,370 square feet devoted to sales area.

Incorporated in this new store, are the latest types of self-service, easy to-reach-into refrigerated cabinets for freshly – cut, cellophane wrapped meats, fruits and vegetables, delicatessen items, dairy products, ice cream and frozen foods.

Other departments include grocery, housewares, drug sundries and an extensive wine, beer and liquor section.

The new store, which is surrounded by a large parking lot, with space for 150 cars, is equipped with the latest innovations in super-market operation.

The new store brings to Tahoe City, the discount pricing policy of the firm. Lucky Stores operates this policy throughout all their stores and uses the slogan: "We discount everything except courtesy, quality and service."

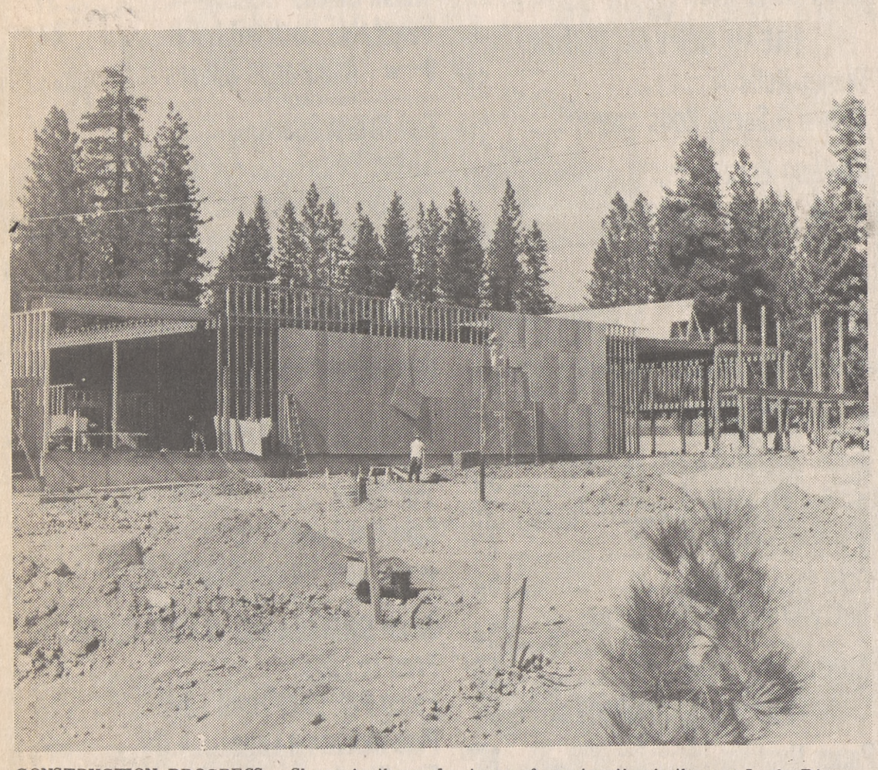
"The substantial price reductions are possible because of the shorter store hours, streamlining of store operations and elimination of trading stamps and other merchandising gimmicks which add to the cost of food," according to a Lucky spokesman.

The policy continued: "This discount policy maintains that low everyday prices will be in effect 365 days a year, and a customer need not rely on weekend specials, loss leaders or other bait advertising, but may shop and save any day she chooses."

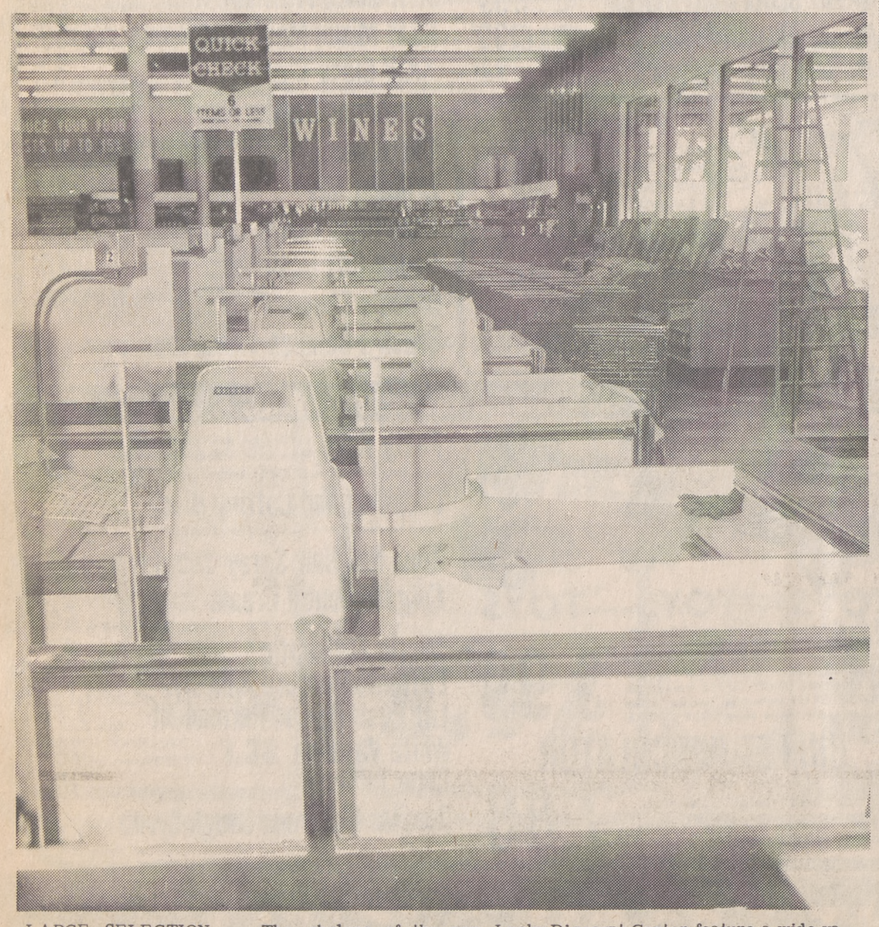
The new Tahoe City store is fully air-conditioned and has diffused lighting, wide aisles and a warm friendly color scheme, all of which add to shopping convenience and pleasure. All items are clearly priced to eliminate guess-work and assure checker accuracy.

Store hours for the new store are 10 a.m. to 9 p.m Monday through Friday and 9 a.m. to 7 p.m Saturday and 10 a.m. to 7 p.m. Sunday.

From four to six carloads of food and items will pass through the market's doors each week. The center of Lucky's widespread operation is the central warehouse and office, at the firm's headquarters in San Leandro. It is from there that the Lucky truck fleet carry food and other merchandise to the store operated by the chain.



CONSTRUCTION PROGRESS – Shown in the early stages of construction is the new Lucky Discount Center in Tahoe City. Building began last summer with a December opening date tentatively set. The new market will open Dec. 18 and will be the second major supermarket in the city.



LARGE SELECTION — The shelves of the new Lucky Discount Center feature a wide variety of nationally-known brands, Lucky bonded meats and fresh fruits and vegetables. In addition an extensive nonfoods department offers housewares, sundries, health and beauty aids, men's, women's and children's apparel, kitchen ware, notions, stationery, toys, sporting goods and many other items regularly used in the home and for leisure pleaxure.

Management Personnel Named

Paul Richard Palmer, former resident of Sacramento, has moved to the North Lake Tahoe area where he will manage the new Lucky Discount Supermarket which opens in Tahoe City Dec. 18.

PAUL RICHARD PALMER
... manager

Palmer, who has been with Lucky Stores Inc. since 1958, has worked at other branches as manager, assistant manager and head clerk.

He received his education at Hiram Johnson High School and Sacramento City College and has studied business economics.

Palmer and his wife, Carolyn Elaine Palmer, are the parents of two children, Teri Lynn and Troy Alan Palmer.

New assistant manager of the Lucky Store is Wilfred L. Williams, who was also transferred to the Lake Tahoe area from Sacramento.

Prior to accepting the assistant manager's position at the new lake store, Williams had worked in the Lucky chain as checker, head clerk, fourth man and assistant manager.

He received his education in Sacramento schools and attended American River College and Sacramento State College.

Married to Janice L. Williams, he is the father of three sons, Billy, Allen and John.

Former market owner and experienced meat cutter and manger, Clark Bannert Sr., is the meat department manager for the North Lake Tahoe Lucky Store.

Since 1940 Bannert has worked in the food store business with a number of large chains and small markets. In 1950 he owned his own market in Salinas, and in 1960 he joined the Lucky chain. He was meat department manager at three stores before coming to Tahoe City.

Bannert, a Marine Corps veteran, is married and the father of two children, Clark Bannert, Jr., and Carol L. Johnson.

Produce clerk is Eugene Laymance, who has worked with super market produce for a number of years.

Laymance has also worked with several other food store chains in the produce department and as a clerk. He has been with Lucky since 1966.

In addition to his training with food stores, Laymance has completed a public accounting course.

The U. S. Army veteran is the father of two children, Karen and Kenneth Laymance.

THEY NEED HELP — Willis Koehler, chairman of the American National Red Cross Lake Tahoe Basin Chapter, and Mrs. Barbara Smith, chairman of the chapter's Nursing Service and her daughter, Kerry, make a valid point, as they stand in empty room at the chapter's offices, located in the rear of the Sierra Pacific Power Co. Building. The Red Cross is in need of furniture for the offices to conduct classes. Call 544-6080 at any hour of the day, leaving your name, address and phone number and the article of furniture you have and it will be picked up at your convenience. The phone number can be used for emergencies in which the Red Cross Chapter serves the entire Lake Tahoe Basin. It was established a year ago. Formerly, Sacramento and Reno served the area, but the Lake Basin growth dictated that a chapter be established for the people of this area. —Tribune Photo

Private Airport Requests Delay

The Nevada County Planning Commission last week set aside a hearing until Feb. 24 on the use permit application from Joseph S. Lodato, San Jose, who proposed construction and operation of a private airport on 262.49 acres of land he is subdividing at the old Truckee airport, four miles east of here on the south side of Interstate 80.

The delay was granted at the request of the petitioner, according to Francis Longo, Truckee member on the commission.

Gordon Reddall, administrator of the Truckee-Tahoe Airport, attended the meeting of the commission to protest the issuance of a use permit, charging that since the proposed private runway is only two miles from the recognized airport, a confusion might result in the air traffic patterns.

Lodato plans to develop the area, which he obtained through a trade with the forest service, into home sites and desired the runway for home owners in the subdivision.

In other action last week, the commission recommended that the board of supervisors approve a road application for Prosser Lake Heights Unit No. 4.

ATTENTION RESIDENTS & TOURISTS OF LAKE TAHOE

L. T. R. now offers daily round trip bus service between North and South Shore of Lake Tahoe, serving all intermediate points. Schedules listed as leaving from South Lake Tahoe depart from the Greyhound Bus Depot. Purchase tickets at the depot for all points.

Norwegian Skiers Help Sierra Team

Three students attending Sierra College from Norway are playing an important part in the building of the school's Ski Team, according to Coach Paul Chesney. Frode Hassel, Knut Olberg and Dag Ostvold have several points in common. They come from Norway, are interested in sports, are on the Ski Team and enjoy their studies at Sierra.

Dag is from Honefoss, Norway, and Knut and Frode come from Trondheim. Knut lives in Roseville and shares an apartment with another SC student, while Frode and Dag live with the McCord family in Auburn. Educationally the three have different goals. Knut wants a degree in Civil Engineering, Frode is a business major and Dag is a pre-Dental major. All plan to go on with their schooling when they leave Sierra.

Comparing American education with that of Norway, the three agree that the work is easier but that there is more freedom of choice and selection of subject matter. Sierra also meets with their approval because it is small enough to get to know and make friends easily and yet large enough for a variety of courses.

They are also surprised that the automobile is so important in American living. While considered a necessity in the U.S.A., the car takes second place to walking in Norway. Knut will be married this month to an American girl and expects to complete his schooling at the University of Washington.

Meanwhile, their experience with skis should enable SC to maintain its outstanding record in ski competition.

Work Due For Highway 89

MARYSVILLE – A four-and-a-half-mile section of State Highway 89 from the Squaw Valley Road turnoff, north, will be reconstructed following opening of bids this week by the State Division of Highways. The work will be postponed until the advent of warmer weather in April or May.

Pacific Western Construction Inc. of Fresno bid low at $245,773.10 among five firms submitting proposals for the contract.

Today's Chuckle

The man who thinks he can eat and drink anything in any quantity and never suffer any consequences is the Internal Optimist.

GI Dividend Report False

SAN FRANCISCO – "Totally false" was the label the Veterans Administration again placed on the persistent report that certain veterans may get up to $200 on an unpaid 1948 GI insurance dividend.

Gordon R. Elliott, manager of VA's Northern California Regional Office said that California newspapers, radio, and TV stations are carrying reports of this dividend.

"It is a sad thing that so many of our veterans are believing this false report," Elliott said. "Hundreds of inquiries serve only to delay current business and VA's desire to be of assistance to veterans and their families."

HIWAY 50 AT PARK
Crescent 'V' Shopping Center
South Lake Tahoe, Calif.

JUST THE BEGINNING – Four-unit townhouses like the one pictured at Mountain Shadows of Incline is first phase in a long term development of the entire west planned by Tahoe Sierra Development Co., Inc. The firm's vice president and resident general manager said a second condominium development for Brockway is on the drawing boards and in the hands of engineers.

Commission Closes Up After Final Meeting

Tahoe Regional Planning Commission (TRPC) began inactive status after holding its last scheduled meeting Wednesday at Stateline.

TRPC will disband when the proposed California and Nevada bi-state compact to regulate the Lake Basin goes into effect after congressional ratification.

Meanwhile, TRPC will "hibernate."

At its meeting Wednesday, insufficient members were present for a quorum. Members present agreed incomplete projects should be finished. Absent members will be polled by mail to learn if they object.

Plans for a sewer line in the Elk Point Sanitation District between Round Hill and Tahoe-Douglas General Improvement District were approved. About 80 homes will be served by the line.

TRPC approval of the project is necessary to apply for federal financial aid.

Commissioners were told the federal Department of Housing and Urban Development will continue to recognize TRPC as an approval agency. Willard Meneley, TRPC chairman, said special TRPC meetings will be called when project approval is needed.

Commissioners also said they plan to complete a model subdivision ordinance and a land development manual, costing $3,200, and a sight guideline manual, costing $4,800. These materials will be made available to the public and the bi-state agency.

Deadline For Special Plates

MINDEN – Nevada residents of South Lake Tahoe who are owners of motor vehicles and who have reserved registration plates must pick up the license plates at the assessor's office in the Douglas County Courthouse in Minden, according to Harry A. Winkelman, county assessor.

Deadline for picking up the reserved plates is Dec. 27. If these reserved plates are not picked up on or before this date they will be sold on a first come first served basis, Winkelman said.

Christmas Gifts For Tots Features Party

Gifts for the children at Nevada's Stewart Indian Reservation, Carson City, will be the focal point of Incline Village, Inc. Christmas Party, 3 p.m. Friday, Dec. 20 at the Chataux country club restaurant, Don Marek, vice president said today.

Instead of the usual exchange of gifts, Incliners will bring a gift for a child, aged 3-12, marked boy or girl with the suggested age for the recipient.

All Incline Village Inc. employes and their spouses have been invited.

$12 Million Outlay Only A Beginning

A $12 million 400-unit residential development at Incline Village and Brockway on the North Shore, is "only the beginning" of a permanent long-term development in the west. So said Don P. Steinmeyer, vice president and general manager of Tahoe Sierra Development Co., Inc.

Tahoe Sierra Development is a wholly owned subsidiary of Marvin Warner Co. of Cincinnati, Ohio. Steinmeyer said the Incline Village offices will be headquarters for developments throughout the Western United States.

HEADS DEVELOPMENT – D. P. Steinmeyer, vice president and general Manager of Tahoe Sierra Development Company, Inc.

The Incline – Brockway development is planned for the next four to six years. Twenty-eight townhouse units are currently nearing completion at Incline and will be ready for occupancy before the first of the year.

The Brockway development is planned for the historic Brockway Hotel property, a 35-acre parcel in California near the Nevada stateline. Purchase of the property has not yet been completed but is expected soon.

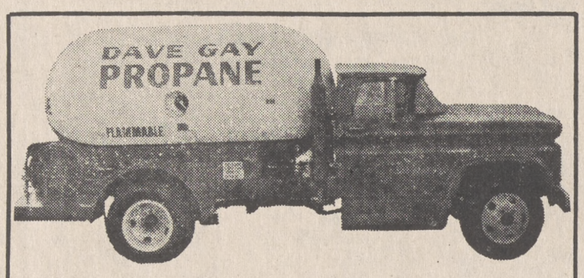
The historic site includes 2,750 feet of lakefront and a hot spring and dates back to the late 1860's when it was called Campbell's Hot Springs. Historians say it was originally named by a man from Truckee who came into the Tahoe basin over the old Martis Creek Road before the wagon road to Tahoe City was finished.

The new development company introduced its plans during a tour last week of Mountain Shadows of Incline. The area lies between Ski Incline and the fifth hole of the Incline Village Golf Course at Fairview and Country Club drives.

The townhouses are a part of a planned "community" built around recreational facilities which will include pools and saunas. Interiors including carpeting, all electric kitchens and baths, wet bars with their own refrigerators and other outstanding features. Units will sell for $30,000 and up.

Principal officers of the Marvin Warner Co., a financial and insurance organization are Marvin L. Warner, president, and Robert R. Weatherbie, executive vice president. Weatherbie heads the company's real estate development division and will act in an advisory capacity to the Tahoe Sierra Development activities in the Tahoe Basin.

At the Incline office, Marvin P. Klassen has joined the company to handle sales. A resident of Carson City and a long real estate broker in the lake basin, Klassen will also assist in establishing condominium and rental management programs for the developments.



to your, our esteemed customers — may your holidays be filled with joy!
